WHAT IS THE ANNUAL GIVING PROGRAM?
The Annual Giving Program is an appeal that is made every year by the St Peter’s Woodlands Grammar School Foundation to each member of the St Peter’s Woodlands community, with the aim to provide funds for modest and achievable projects.

HOW DOES MY CONTRIBUTION HELP?
Your contribution, no matter how large or small, together with donations from parents, old scholars, staff, grandparents and friends of the school assist in creating contemporary educational spaces that enhance our children’s learning experiences.

CAN YOU HELP SUPPORT THE FOLLOWING PROJECTS?

Developing Contemporary Learning Spaces
Robotics $5,000
With your help we can offer our students the opportunity to work with Robotics. Students working with each other have the opportunity to convey complex ideas and problem solve which develops effective communication and interpersonal skills. Robotics is a perfect way to introduce to students that engineering and ICT has a range of real-life applications such as electrical or mechanical engineering.

Transformation of Outdoor Spaces
Alfresco-style eating area $10,000
With your help we will be able to create an alfresco-style eating area for our students adjacent to the Canteen, by providing shaded outdoor table settings and fixed outdoor umbrellas. The area created will be a modern outdoor space for our students.

Resurface outdoor courts $25,000
With your help we will carry out the much needed resurfacing of the Maturin Road courts. The courts are continually used during sports lessons and extracurricular activities. This includes SPW’s Netball Specialist School coached by Mrs Marg Angove OAM, Inaugural Coach of the Adelaide Thunderbirds and former Netball Coach Woodlands CEGGS, for games and training. The resurfacing of the courts with a non-slip surface that can be used in wet and dry conditions will allow our students to use the courts safely all year round.

“As the St Peter’s Woodlands Foundation commences its third annual appeal we reflect on the generous support that our school community has given.

The Foundation has been able to support St Peter’s Woodlands by donating funds towards the development of The Hub, upgrades on the exterior of the Chapel, the kitchen garden, Year 1 classroom blinds, Year 2 classroom renovations, and oval fences.

“Please join me in supporting the 2015 Annual Appeal. Together we can make a difference as we strive to develop our school as A School of the Future.”
