# 1 EXTRA AND CO-CURRICULAR ACTIVITIES

---

SPW is pleased to offer a wide range of Extra and Co-Curricular activities for 2018.

Part of the SPW Mission is to:

- Provide a strong foundation for lifelong learning
- Develop self-confidence, a high self-esteem and an appreciation of total well being

We believe the Extra and Co-Curricular activities will support children develop critical life-long skills in learning how to manage their time and find a balance between work and leisure.

## 1.1 CONSIDER COMMITMENTS CAREFULLY

Please carefully consider the commitments which your child needs to make when participating in an Extra-and Co-Curricular activity. At SPW we do not insist on children participating in any Extra-and Co-Curricular activity though we are pleased that most choose to do so.

At Foundation to Year 5, it is most important that involvement is manageable for both the child and the family as a whole. If you are unsure of the right level of commitment for your child, please speak with your child's class teacher or the Head of PE & Sport and/or the Head of The Arts.

## 1.2 BREADTH OF OPPORTUNITY

Beyond the timetabled Sport and Art opportunities at SPW we want students to have the courage to engage in a range of activities and try activities they may have never considered. The activities we offer are primarily about an immersion experience - a first exposure to help find out what students really enjoy. We encourage students to try and experience many activities, even if only once.

We limit an individual child's level of participation in certain areas to ensure all children can access a diverse range of activities.

# 2 SUBJECT SELECTION ONLINE (SSO)

---

Many Extra-and Co-Curricular activities are selected by parents/caregivers via an online selection system called **Subject Selection Online (SSO)**. Please log on, even if the student has decided to not take part in any Extra-and Co-Curricular activities next year to ensure we know your wishes for 2018.

### Accessing the SSO Portal

The SPW SSO Portal is available at: <https://sso.countrynet.net.au?school=53436>

A live link will also be available on Skoolbag under 'News.'

### Nomination Dates

The SSO system will be live as follows:

SSO Portal Open **8 November 2017**

SSO Portal Closes **1 December 2017**

### Obtaining a Password

To obtain your individual login, click on the "Obtain PIN/Password" link on the homepage.

Enter the email address you have provided to the school. Only one email address per child is linked to the SSO system, and in most cases, this will be the email address we have on our database linked to "Caregiver A" (usually the mother). You will then be asked to set your own password for each child using the "reset your password" button. A personal link will then be emailed to you.

Full instructions will be made available on Skoolbag on **8 November 2017** when the SSO system goes live.

### Making Nominations

Using the link/s you are emailed, parents are asked to set a password for each child, then log in and go through the system and make selections for your child. Each student's selections are to be made individually. Separate links will be sent for each child. For separated families, please ensure only one person completes the nominations for the student.

## Assistance or Questions

Should you have any problems with the SSO system please contact:

EA to the Deputy Principal – Kate Anolak [kanolak@spw.sa.edu.au](mailto:kanolak@spw.sa.edu.au)

If you have questions about the individual sports or arts activities, please contact:

Head of PE & Sport – Alastair Dow [sports@spw.sa.edu.au](mailto:sports@spw.sa.edu.au)

Head of The Arts – Mark DeLaine [thearts@spw.sa.edu.au](mailto:thearts@spw.sa.edu.au)

## 2.1 CONDITIONS OF NOMINATION

When making your selections via SSO for Extra- and Co-Curricular activities in 2018, please be aware of the following:

- Parents/caregivers are reminded to print or email themselves a copy of the selections they make on SSO for their own records. This provides clarity for the year ahead.
- **Late nominations for Sport:** No late nominations for Term 1 will be accepted. Late nominations for Terms 2-4 may be accepted only if space is available in the requested sport and if received prior to Week 5 of the term prior. The timelines are critical to ensure contracts are in place for third party coaches. Please email [sports@spw.sa.edu.au](mailto:sports@spw.sa.edu.au) with late nomination requests.
- **Waiting lists** will be kept for sports/activities.
- If a nominated activity or sport is **not attended, no refund** will be given.
- By Week 7 of the previous term, children are able to be **withdrawn** from an upcoming term's activities. After Week 7, a child's nominated commitment will result in a full term's invoicing for that activity, and the student will still be expected to attend that activity.
- If team numbers are large, due to our Policy of Inclusion, a roster will be established to ensure fair participation.
- Students who miss five matches/games, without appropriate explanation, will not be able to participate in any team sports for the remainder of the year (this applies across all sports in which the child participates across the year). No refunds will be given.
- SPW reserves the right to cancel a sport/activity if minimum numbers are not met.

## 2.2 CHANGES, WITHDRAWALS, AND WAITING LISTS

When making nominations, please view your nominations as **final** for the year.

Should an unforeseen circumstance occur and a change/withdrawal needs to be made from a nominated sport/activity, this will only be facilitated under the following conditions:

- Provision of parent note and/or doctor's certificate indicating medical requirement
- Sufficient spaces are available in the sport into which the student wishes to transfer, without inconveniencing other students (particularly in team sports)
- Sufficient notice is given (ie **by Friday of Week 7 of the previous term**)
- No students are on a waiting list for that activity.

Refunds will not be given if notice is received after Friday Week 7 of the previous term (medical requirements are exempt).

If a student wishes to be put on the waiting list for a sport activity, the parent/caregiver is to email [sports@spw.sa.edu.au](mailto:sports@spw.sa.edu.au). In this way a clear order for the list may be kept. Waiting list students will be added to activities only when there is a space available, and strictly in the date order the request is received. Being on the waiting list does not mean a student will gain a place in the activity, and a student does not have to change activities if they are offered a place from a waiting list.

## 3 SPORT IN THE PRIMARY YEARS

---

At SPW we believe sport plays a significant part in the holistic development of children. Participation in sport at SPW is about equipping students with a 'toolbox' of technical, physical and mental skills and an understanding of concepts such as teamwork, leadership and dealing with setbacks. Sport at SPW is not about winning, awards or developing representative players and dominant teams.

The valuable social experience gained by being involved in sport is enormous. Equally it is about learning to be part of a group or team through service, understanding what commitment entails, working hard to achieve goals, playing fairly and respecting everyone involved. Mostly we wish to foster a life-long love of being physically active.

### 3.1 PARENT COACHES AND MANAGERS

SPW actively encourages parental assistance in the roles of Coach and Manager for team sports.

Every team sport, from Year 3 - 7, requires a Parent Manager. Without a Parent Manager, the team will not be entered for competition.

If we are unable to secure a Parent Coach, a SPW staff member, third party provider and/or SPW volunteer will be appointed.

**Parent Manager - Role Requirements:** This role is a fun way to participate in the life of the school and your child's development in sport. The Manager is the main point of contact for all players and their families. They will liaise with parents and students, and with the Head of PE & Sport. They are required to attend all games, organise rosters and other activities including the supply of oranges for half-time.

**Parent Coach - Role Requirements:** If a parent has the skills and interest, SPW invites you to nominate to be a Parent Coach. Parent Coaches attend all matches, and wherever possible attend the weekly practice sessions. Where a Parent Coach cannot attend the practice, a Kelly Sports Coach will be appointed to take the session. No extra practices are to be organised outside the designated times.

**SPW Volunteer Requirements:** Both Parent Coaches and Parent Managers are required to be registered SPW volunteers, and to abide by a Code of Conduct as per the SAPSASA and SPW Sports Policy.

**Nominate:** Nominate yourself for a Parent Coaching or a Parent Manager role via the SSO portal.

### 3.2 TEAM SELECTIONS

Where a sport requires a team, the teams will be selected according to SPW PE staff judgement, based on their knowledge of the students.

### 3.3 SPORTS UNIFORMS

SPW sports uniforms are to be worn when representing SPW. The uniform requirements are listed under each section. It is the responsibility of the parent/caregiver and the student to ensure correct uniform is worn at each match.

Where uniforms are issued by the school, they are expected to be returned in appropriate, clean condition at the end of the season. Uniforms not returned in an appropriate condition will incur a replacement fee chargeable to the family and invoiced accordingly.

Additional information about the sports uniform is available on the school website and via the Uniform Shop.

**Nominate:** Nominate your child via SSO (online portal)

**Fees:** All fees payable to SPW, unless noted otherwise, and will be invoiced with Term Fees.

### Considerations:

1. Students may select from a wide variety of activities. It is worthwhile 'mapping' out your child's sports activities across the three years, endeavouring to ensure a broad a range of experience.
2. Inter-school competition begins for many sports at Year 3, and students need to be aware that committing to their team, both matches and practices, is a serious expectation.

Students may select their activities as follows:

Term 1	Term 2	Term 3	Term 4
One sport: Gymnastics, Dance, Judo, Cricket, Volleyball or Basketball	One individual sport: Gymnastics, Dance, or Judo	One individual sport: Gymnastics, Dance, or Judo	One sport: Gymnastics, Dance, Judo, Cricket, Volleyball or Basketball

### Considerations:

1. Students at this age may be particularly interested in one or two sports or activities, and may also be participating in club sports outside SPW. It is still advantageous for sporting development to try and maintain a broad range of involvement. Inter-school competition is a feature of many sports.
2. Students and their families need to be aware they are committing to their team and the matches and after-school practice time when making selections.

Activity	Term	Details	Fees

# 5 ARTS IN THE PRIMARY YEARS

---

At SPW we believe the opportunity to engage with the Arts creates well rounded, creative adults of the future. The ability to engage with the Arts enables students to make life-long connections with the importance of creative pursuits. We particularly focus on music and drama/ dance co-curricular activities which utilise the specialised skill set of our staff.

## 5.1 BENEFITS OF INVOLVEMENT IN THE ARTS

The Arts are a wonderful arena for fostering creativity, an important skill to have in a rapidly changing world. The Arts foster critical higher levels of thinking that carry over to learning other subjects and in life. Through the Arts, children learn to observe, see different perspectives, analyse and synthesise. As students learn to read notes, compose music, play an instrument, learn dance steps, create a painting, or act in a drama, they are also learning how to develop new concepts, build vocabulary, and learn a new language.

Through the Arts, children learn how to work together to achieve great things. As they work together, students learn to understand differences and diversity. They learn how teamwork contributes to great performance.

At SPW we aim high and try our best to create lasting memories from our concerts, performances and musicals. The Arts are for everyone - come and try.
