From the Deputy Principal

Leading into the final Weekly for the term I would like to thank the parents and caregivers for their support over the past 11 weeks; this certainly provides opportunities for us to enhance the children's learning and to continually build the partnership between home and school.

This last week has been magnificent week.

- * Yesterday the Year 7 students led us in the Chapel Service with the theme *Water is Life*. I am always taken with the poise and confidence the children display when presenting and performing to an audience. The children performed a number of skits and dazzled us with data regarding water, which showcased the learning and understanding they have gain from the unit this term.
- * Congratulations to our SAPSASA Boys' Tennis team who were successful last Tuesday in their round against Concordia College; we wish them all the best as they move on to their fourth round which will be scheduled for Term 4.
- * The Parent/Student/Teacher conferences were a wonderful opportunity to include the children in this important process, supporting each child's learning and setting goals for the year ahead. Thank you to the staff who have put many hours into organising the conferences; thank you also to the children and parents for their participation in the conferences over the past week.

We are grateful for the feedback regarding the Valedictory Service for Year 7 students and the Final Assemblies. The events will proceed as outlined recently in the Weekly.

Finally, I would like to wish all families a blessed Easter and a safe and enjoyable holiday in readiness for the commencement of Term 2 on Tuesday 2 May.

Simon Theel

Thought for the Week

By Desmond Tutu, Retired Archbishop of Capetown

Good is stronger than evil;
Love is stronger than hate;
Light is stronger than darkness;
Life is stronger than death.

Victory is ours, through Him who loves us.

Chaplain's Chat

Thank you to the Year 7s who presented a service about water packed full of information spiced with humour "Water is life".

We look forward to our traditional Easter celebration led by the Chapel Choir and Chapel Band next week. They will present the drama "Easter Hope – the Road to Emmaus" and we will light the Paschal or Easter Candle. Everyone is welcome to attend.

Thank you to all those who have returned their **ABM Lent collection boxes**; these can be handed in at the Finance Office in the Law Smith building or the Chaplain's office in the Chapel.

Finally, an **Easter Prayer**:

All our problems,
we send to the cross of Christ.
All our difficulties,
we send to the cross of Christ.
All of evil's works,
we send to the cross of Christ.
All our hopes,
we set on the risen Christ.
Amen

Rev'd Julia

PE & Sport

Here are our 'Sport Shorts' for this week:

- * Congratulations to the SAPSASA boys' knockout tennis team who defeated Concordia College on Tuesday. They are now into the semi-finals in Term 4. Well done Edward W, Will C, Daniel F and Hugh W.
- * House Cross Country last Friday was a great success. **Flinders** are our 2017 champions. Participation and effort levels were very high; lots of personal goals were set and reached which is fantastic. Today the children who have made the district cross country team received their notes. Good luck to these athletes on Wednesday 3 May.
- * This week was our last for after school summer sports practices. **Would team managers please return their first aid kits to the PE Department before the holidays so they can be restocked ready for next term.** I have appreciated your support. Being a team manager is extra work. It does make the experience a better one for the children. Thanks so much.
- * Winter sports will begin in Week 2 (8 May onwards) next term. Years 3 to 7 extra-curricular notes have been sent home today and JP groups displayed outside the gym. Fixtures will be finalised early next term and links placed on the Skoolbag app.

Have a relaxing holiday.

Stay calm and keep active.

**Alastair Dow
Head of PE and Sport**
