From the Principal

Week 4 of the school term has certainly been a memorable one. Let me tell you why.

Firstly, the opportunity to be part of the first of two Instrumental Music Evenings was a timely reminder of the wonderful creative talents of our students. To be able to see the entire range from children in Year 1 through to Year 7 was most heartening.

Secondly, we were treated to another outstanding Assembly on Tuesday, when our new STAR awards were launched. If you are wondering about this new award, please visit our Facebook site to see the great news.

Thirdly, I was delighted to see a large team of enthusiastic runners heading off to the District SAPSASA Cross Country event, and this was followed with the Junior Primary Fun Run today, an event where there were many happy and enthusiastic children accompanied by our Year 7s, parents and indeed grandparents.

Fourthly, I was proud to be associated with the Year 6s as they represented SPW at the annual Anglican Middle School Service at St Peter’s Cathedral. Students from the 12 Anglican Schools in South Australia were present at this most memorable event.

The final memorable moment was truly remarkable, that being the performance by our Year 7s with their Chapel presentation on the life of Moses, and ancient Egyptian civilisations. This particular event was timely as it clearly reminded me, and those present, of the importance of our students being afforded the opportunity to complete their Primary education at SPW. After many years observing Primary aged children, I suggest that the leadership, teamwork and confidence demonstrated by these students is as a result of the nurturing and creative environment that has been created over 8 years of their Primary education.

Should you be a parent of children currently in our Year 4 and 5 classes, I would encourage you to find the time to visit the Year 6-7 classrooms and see the outstanding opportunities that are being provided and taken up by our Year 6-7 students. This experience in our Year 6-7 Centre accentuates the opportunities for children completing their Primary education at SPW and preparing them for the transition to Year 8.

It is in this context of entrance into Secondary schooling that I am inviting parents to contact me so that we can discuss the complexities of this decision. I say this in the knowledge that I am yet to know of a child from SPW who has not been successful in getting into their school of choice in Year 8.

Chaplain’s Chat
Everyone who was present for the Year 7 Chapel presentation on the life of Moses and Ancient Egyptian Civilisation, couldn’t help but be impressed by their confident, enthusiastic and well-organised presentation. There are so many rich themes running through the story of Moses, but a particularly good one is that Moses didn’t feel he was capable of the great task of leading his people to freedom. He tried to say to God that we wasn’t up to the task. In the end he responded to God’s call and, despite his doubts about his own ability, he achieved amazing things with God on his side. Well done to all the Year 7 students for the leadership you showed.

Next Thursday’s Chapel is a Communion Service celebrating Pentecost – the coming of the Holy Spirit. 8.45am Thursday 28 May. All welcome.

School Chaplain

Prayer for the Week
Dear God
We give thanks for all that we learn from history,
And how people’s lives and the world around us has changed.
As we learn from the past,
we pray that future generations will live freely and happily.

Amen

Thought for the Week

SRC Update
The Student Representative Council would like to thank everyone who took part in our ‘Guess the Number of Easter Eggs’ competition or donated to the Hutt Street Appeal. Brenda from The Hutt Street Centre collected all the donations a couple of weeks ago and was overwhelmed by how full her van was!

We are now busy planning more activities for this coming term and beyond.
DID YOU KNOW?
Homelessness is a breach of the right to adequate housing. International human rights law recognises that every person has the right to an adequate standard of living. This right includes the right to adequate housing.

HOW THE SRC PLAN TO HELP
To continue our support of the Hutt Street Centre, the SRC have decided to have a ‘Go without Day.’ This ‘Go without Day’ will include going without something that we are used to having on a daily basis and something we are fortunate to have. The SRC would like all children and staff in the school to feel what it is like to not have something which is considered essential. The SRC came up with many great ideas of things we could go without, but ultimately decided on electricity.

On Tuesday of next week, all learning spaces in the school will operate without electricity. This will include whole school Assembly. The Canteen will operate normally so lunch orders will not be affected.

Our SRC hopes that this initiative will both raise awareness for those facing homelessness, as well as give all members of the SPW community an understanding of how lucky they are. If you have any concerns about how the day will operate please do not hesitate to contact Kerry Ramsay on kramsay@spw.sa.edu.au or Barbara Saunderson on bsaunderson@spw.sa.edu.au.

Thank you for your support.

The SRC, on behalf of people facing homelessness
