From the Head of Early Learning

Yesterday, we gathered in our Chapel to celebrate the life of St Margaret of Scotland, Patron Saint of learning. It was a delight to be part of such a joyful celebration which included our SPW children, staff, old scholars, parents and some very little children. Thank you to all members of our community who attended.

During the Service Father Andrew helped us to reflect upon the life of St Margaret, both her background and what made her distinct in the way that she lived her life.

In a school like ours, the life of St Margaret still has significance in 2015, when we continue to provide a learning environment which not only prides itself on academic opportunity and learning development but also explicit values that guide our choices about who we are and how we relate to others.

It was wonderful to be part of such a significant celebration. The Service was not only a testimony to the life of St Margaret of Scotland but also a wonderful symbol of the vibrant and caring nature of our SPW community.

I think that the words of Aristotle are apt:

Educating the mind without educating the heart is no education at all.

Thank you to all those who participated in yesterday's celebration. May the life of St Margaret inspire us as we continue to grow in our school values of wonder, courage, respect and service.

Tree Adjoining Braested Oval

Property staff noticed in April that one of the trees behind Baddams Gym on the northern side of Braested Oval had started to look in poor condition in a very short time frame. A tree arborist was called in to inspect the tree who provided advice that the tree had a disease and was unfortunately dead. During the Term 2 holiday break the tree will thus be removed. The tree arborist confirmed the second tree behind Baddams remains in good condition.

Chaplain's Chat

As we celebrated Saint Margaret in our Chapel Service yesterday, I was struck by the enormous upheaval of the times she was living in. Her brother Edgar ascended the English throne, following King Harold's death at the Battle of Hastings 1066, only to give up the throne to William the Conqueror a few months later. When Margaret and her family found refuge in Scotland and she married King Malcolm, he himself had previously been in exile in England following the death of his father King Duncan at the hands of Macbeth. These events are well ingrained in our communal knowledge. In the midst of this time of upheaval, Margaret was able to bring an influence of faithfulness, compassion and justice. What a great example of Christian leadership and very important things to remember when the world around us seems to be in constant flux.

Next week's Chapel Service will be the Year 2/3 Grandparents Day. Other year levels will have Chapel time in their classrooms that morning.

SRC News—Calling all Bakers

The SRC are busy planning their final event for Semester 1, a cake sale in aid of the Hutt Street Centre and their Angel for a Day Appeal.

The Hutt Street Centre receives no government funding for food – instead it all comes directly from generous supporters. Since 2005, the Angel for a Day campaign has allowed supporters to donate the \$350 needed each day to provide nutritious, delicious breakfasts and lunches for the Centre's 200 clients. With over 56,000 meals served each year, The Hutt Street Centre need our valuable support.

SPW will be Angels for a Day in Term 3. Our cake sale on **Monday 22 June (week 9)** will raise much needed money to fund this day.

The SRC would love if as many people as possible could contribute some baking to this cause. All cakes should be delivered to the Shelter Shed between 8.15 and 8.45am on 22 June. Cakes will be sold for \$1 at recess in both the JP playground and the Shelter Shed. Please be mindful of the school's no nut policy. There are some delicious and exciting cake and muffin recipes on the Hutt Street Centre website from renowned chefs, such as Maggie Beer, if you are looking for ideas - <https://www.huttstcentre.org.au>

Remember also, to bring some money to buy a tasty treat or two.

The SRC would like to thank you for your support of their work and the work of the Hutt Street Centre. If you have any questions regarding the SRC and their work please email kramsay@spw.sa.edu.au or bsaunderson@spw.sa.edu.au.

SPW Foundation Annual Appeal 'The Joy of Giving'.

This year's Foundation Annual Appeal was launched to our school community on Monday 25 May by Christopher Prance.

Did you see the video on the SPW Facebook site?

Here's the link to our Facebook site if you missed it - <https://www.facebook.com/spwglenelg>

Our Year 7 students have also been busy creating a series of promotional videos asking for your support of the annual appeal projects. You can see these on our Facebook site too.

This year's annual appeal projects are:

- Robotics
- Alfresco-style eating area
- Resurface outdoor courts

Thank you to the families who have already made donations to the Annual Appeal so far, but we still require the help of the whole community.

If each family was able to give a little, just imagine what we can achieve, as together we can create a wonderful learning environment for all of our children.

CAN YOU HELP?

Please fill in your Annual Giving brochure that you have received in the mail or contact Karen in the Development Office 7221 6202 or kschaumloffel@spw.sa.edu.au for more information.

Thought for the Week

Never, never be afraid to do what's right, especially if the well-being of a person or animal is at stake. Society's punishments are small compared to the wounds we inflict on our soul when we look the other way.
