From the Deputy Principal

It was wonderful spending a special morning in Chapel yesterday with our Year 6 and 7 students and their grandparents and special friends.

There was little doubt just how much the grandparents are adored by their grandchildren when you sit back and listen to the children sharing their grandparents' biographies they had researched, the entertaining skits they performed, and singing a medley of songs.

Equally, it was wonderful to hear the animated conversations and laughter as the students had the opportunity to share their learning spaces with their grandparents and special friends. Of course, the morning would not have been complete without a delicious Devonshire morning tea.

One look at the beaming smiles as the morning concluded showed just how wonderful and popular this occasion is on the SPW calendar. I thank all the grandparents for visiting us and of course the students, staff and helpers for their work in preparing for the morning.

In the lead up to camp week the students in Years 3 to 7 attended a camp session with Wilderness Escape to receive the final information for what promises to be an exciting and unique experience for the children. In the camp session students learnt about their upcoming outdoor experience. For Year 5 to 7 students this included the planning of a meal that will be cooked in a tangia during the remote part of the camp.

Thank you and congratulations to everyone involved in the organisation of the PFA Father's Day breakfast; and to those who joined in, we hope you enjoyed this special event.

I would like to take this opportunity to wish all the dads in our community a very happy Father's Day.

Until next time have a wonderful weekend.

CALLING ALL BAKERS

The SRC have been busy planning another event for the year; a cake sale in aid of their chosen charity for 2017, Mary Potter Foundation, a local charity founded in 1987. The Mary Potter Foundation undertakes amazing work caring for adults who are seriously ill and supporting their families. Through the work of the SRC, we will explore how different therapies such as music, massage, beauty treatments, pet visits, and creative arts can help improve the quality of someone's life, making each day a little brighter – Living every day, every hour.

The Cake Sale is to be held next week, **Tuesday 5 September**, to raise money for this fantastic cause. We would love if as many people as possible could contribute some baking to this cause. They are asking for all cake donations to be delivered to the Shelter Shed between 8.15am and 8.45am on Tuesday 5 September. Cakes will be sold for \$1 each at recess in both the Junior Primary playground and the Shelter Shed. Please be mindful of the school's no nut policy.

Remember also, to bring some money to buy a tasty treat or two.

The SRC would like to thank you for your support of their work and the work of the Mary Potter Foundation. If you have any questions regarding the SRC and their work [please email](#).

PFA News

WINTER REDS

Winter Reds was a huge success and enjoyed by all. It was a fabulous opportunity for members from the school community to socialise and get to know each other in an informal environment. We are still finalising the numbers but it has raised significant funds towards the Bowen Garden Nature Play Space. A special thank you to the sponsors of the silent auction items: Marion Holiday Park, Oz Trampolines; Rawson's Electrical; Seawall Apartments; CoCo Connoisseurs; Wisharts Jewellers; Sarah Burton and various local restaurants including The Strand, Café Mediterranean, Broadway Hotel, Cardones, Montezumas and Fleurieu Bites. The PFA would also like to thank Tonya and Mark Atkin and their team of helpers, including Geoff Barker (the wine guy) for without these amazing volunteers, the event wouldn't have been as successful.

FATHERS DAY BREAKFAST

Over 300 students, dads, granddads and special friends gathered at the Shelter Shed and Braested Oval this morning to celebrate Father's Day. It was great to see so many enjoying this much-loved tradition at SPW. Thanks to Dahni and Josh D'Ambrosio and their band of helpers for organising this highlight of the year.

Thought for the Week

A SMILE—Helen Steiner Rice

A smile costs nothing, but gives much.

It enriches those who receive, without making poorer those who give.

It takes but a moment, yet the memory of it may last forever.

A smile creates happiness in the home, fosters goodwill in business, and is a sign of friendship. It brings rest to the weary, cheer to the discouraged, sunshine to the sad, and is nature's best antidote to trouble;

Yet a smile cannot be bought, begged, borrowed or stolen.

For it is of no value to anyone else unless it is given away.

Some people are too tired to give you a smile.

Give them one of yours.

No-one needs a smile as much as those who have none to give.
