From the Head of Primary

Simon Theel, Chris Prance and myself had the opportunity this week to dine on some very special meals. Each of the Year 6 classes, through their Design and Technologies curriculum, planned and prepared a Master Chef style three-course meal for us to evaluate and enjoy. The students learnt from an industry expert about appropriate food handling, budgeting, food presentation and team work. All three classes went to great lengths to ensure our experience was memorable, complete with entertainment.

Examples of the lovely meals were salt and pepper squid, chicken in miso stock with noodles, and warm individual baked cheesecakes.

It was a pure delight to see and hear the children use exquisite manners, demonstrate outstanding care for each other, and most of all having fun. A big thank you to the Year 6 staff for making this real-life, confidence building learning possible.

I would like to take this opportunity to wish all the dads in our community a very happy Father's Day. May you all have the opportunity to experience some wonderful cuisine prepared by your children this weekend.

Amanda Kelly

Chaplain's Chat

The Year 5 students really made us stop and think yesterday about how we are connected to the environment. Their skit where the trees, bushes and rocks spoke about the impact the humans were having on them, helped us to see things from nature's perspective. As urban dwellers we sometimes lose touch with our interconnectedness with the web of life. There is so much we can experience if we stop, listen, learn from and appreciate the world around us, just as Jesus invited his disciples to do in those well-worn words "consider the lilies of the field... consider the birds of the air".

Camps next week will be an ideal opportunity for our Year 3 to 7 students to feel a bit closer to the environment and take time to experience the world around them in a different way.

Next week's Chapel Service will be for Junior Primary and Pines students only on the theme of "Reaching out to Help", reflecting on International Peace Day and the parable of the Good Samaritan. 8.45am Thursday 10 September. All Welcome.

School Chaplain
