From the Principal

As this is the last Weekly for Term 3 2015, you will notice it is ‘jam packed’ with excellent information and highlights of some of the amazing experiences children have had of late.

In highlighting experiences, I would like to thank all of the staff of SPW for their ongoing hard work, support of children and willingness to keep providing additional opportunities. I say this because in recent weeks we have had students participating in school camps, school sleepovers, Tournament of Minds, Debating, the Musical, and the Oliphant Science Awards. All of these activities are offered as ‘extras’ and would not proceed without the willingness of teachers who volunteer extra time to ensure they happen. It is heartening to see the children take up the opportunities.

At Assembly this week we had the presentation of a cheque for $7864.95 to the Hutt Street Centre, the result of the fundraising efforts coordinated by our SRC. This presentation was a timely reminder that our children have strengthened their understanding and resolve to be of service to others.

In closing, I hope that the holiday break provides an opportunity for children to rest up, ready for their final term of 2015. Children return on Tuesday 13 October.

Requests for Class Placements 2016

At this time of the year attention begins to be drawn to children’s placements in 2016. The longstanding and successful practice at SPW is that this process is left to the class teachers of current children, being the persons in the best position to make these recommendations. Therefore, I request that parents leave this process up to teachers. I acknowledge that in some individual cases there are particular concerns that need to be brought to my attention in relation to your child’s personal needs. If this is the case, please put those concerns in writing to me by Friday 23 October. After this date requests will not be considered. Whilst I cannot guarantee to honour your request, you can be assured that I will do the best I can to cater for the needs of individual children.

TERM 4 SPORT

There will be a slight change to our communication for Term 4.

Year 3 to 7 teams (Basketball, Volleyball, Cricket) and activities (Dance, Gym, Judo, Tennis, Recreation) lists are now on display on the noticeboard outside of the gym.

Students are asked to:

(a) check and ensure that it is what they were expecting, and
(b) go home and let Mum and Dad know.

Should there be any questions, the children need to contact me as soon as possible.

In line with our philosophy regarding what sport can teach our students, we are encouraging the children to take ownership and responsibility of this component of their sporting extra-curricular experience. Teachers will assist by reminding the younger classes to check the noticeboard on their way to or from Assembly / Chapel / PE etc.

Fixture information will be included on our Skoolbag app under the Sports Section, as soon as the School receives this information. A note will also go home at the beginning of Term 4 with details of fixtures.

Junior Primary Term 4 sports notes have been sent home to families this week in the end of day communication folders.

SAPSASA STATE BOYS BASKETBALL COMPETITION

Our boys played extremely well in yesterday’s State Championships, ably coached by our own David Coulter, Year 5 Teacher. The boys participated with amazing spirit and played great team games all throughout the day. Well done.

SAPSASA DISTRICT KNOCKOUT SOCCER COMPETITION

We would like to wish the boys all the very best as they compete in the Grand Final next Thursday, 24 September. SPW is playing against Blair Athol Primary School and the venue for the match is Paradise Primary School, with the match commencing at 10.00am (2x25 minute halves). All present are reminded that they will need to abide by the SAPSASA Codes of Behaviour. It has been an amazing season for the boys, and next Thursday promises to be a thriller to finish off the term.

SAPSASA METRO ATHLETICS CHAMPIONSHIPS

Good luck to the 18 students (the most ever) from SPW who will compete next Tuesday at SA Athletics Stadium.

RETURN OF SPW SOCCER, FOOTBALL, NETBALL UNIFORMS / TOPS / ONESIES

Students are asked to return their school playing tops/uniforms as soon as possible. Tops (cleaned) are to be placed in a clearly labelled plastic bag. It is very important these are handed in person to either Mr Bowen or Mrs Whelan, or placed in the marked PE bin outside the PE/Sports Office, and NOT passed in at the Front Office.

Lost Property
Our lost property bins in the Law Smith Building (student entrance) are brimming full of all sorts of uniform and miscellaneous items. If you are missing a jumper, shoes, shirts, drink bottles, lunch boxes etc etc it would be appreciated if you would come in and rummage through the assortment of currently homeless goodies. Any items left in these bins at the end of term, will be disposed of. Thank you.

Uniform Shop
The Uniform Shop will be closed from Friday 25 September and will re-open on Friday 10 October from 9am to 12 noon. It will also be closed on the pupil free day, Monday 13 October.

Summer uniform has a two week transitional period. As from Monday of Week 3 in Term 4, students will be expected to be in full Summer uniform. All Summer uniform items are in stock and ready for purchase.

Enjoy the Spring holiday break.

Old Logo
Just a reminder that clothing with the ‘old logo’ will be able to be worn until the end of 2015. After that time it will no longer be able to be worn.

The new logo has been in circulation since January 2013, therefore has allowed for a three year transition period from the old to the new.

There are two exceptions; the old style Windcheater top and the old style SPW representative top—both of these can be worn until December 2016.

Reception Classes—Design & Technology
This week the Reception classes were lucky enough to be some of the first users of our excellent new Design and Technology room. As part of our Unit of Inquiry on ‘Toys and games change over time’, the Receptions designed a toy they wished to build. It was fantastic to make use of this design facility to choose materials, use tools and technology skills to build our toys.

To be in a space created for the purpose made a real difference to the children. They had so much fun being inventors. Many thanks, of course, to the great parent helpers who assisted us in bringing our inventions to life.

Year 6s and their Technology Skills
After a busy and amazing MasterChef series, the Year 6s are now turning their technology skills to solving a problem … technology benches for the ELC. Each Year 6 classroom has met with Miss Hannah Carroll and some eager ELC students to quiz, measure and take notes to support their design of a functional and practical work bench to suit our ELC students.

At each session there was a hive of activity relating to size, features, functions and colour schemes – excitement in the air. The ‘design phase’ will take place during Week 10 and six final designs will be selected and built for the ELC classes during Term 4.

Sharing with the World
Recently the Year 5 students completed a unit of work about ‘Settlement in Adelaide’. To demonstrate their understanding, the children created soundboards using an App called TinyTap. This involved creating a page of images with ‘hotspots’ linked to audio recordings of their own narrations.

Some of the finished presentations have been saved ‘in the cloud’ and can be easily found by searching for ‘Settlement in Adelaide’ at www.tinytap.it. The activity also provided a great opportunity to discuss digital citizenship and protecting personal details online.

Maths Scavenger Hunt
SPW celebrated National Literacy and Numeracy Week with a Maths scavenger hunt in week 7. It was great to see the enthusiasm by all year levels exploring their environment mathematically by having a go at measuring the area of the ovals, finding out how tall their teachers were, thinking about how many lollies they could buy for a certain price and finding out what year Woodlands was founded. Parents, siblings and friends were keen to help each other at the hunt in the mornings, in break times and after school. It was great to see 1PH and their buddy class 6MR working together on the problems. A special thank you to Bastie, Jack, Hannah and Finn who were our Maths advisors for the week, supporting the younger children with their hunt. Watch out for next year’s Maths Scavenger Hunt.

Canteen
We would like to thank Jo Mintern for her assistance in the Canteen over the past week. Thank you also to all who have helped this term, it’s great to have such wonderful volunteers. I look forward to seeing you all again next term.

If anyone would like to volunteer during Term 4, please do not hesitate to come and see me personally in the Canteen or feel free to call (7221 6216) or email relphick@spw.sa.edu.au. Enjoy the break.

Chaplain’s Chat
Saint Peter is arguably the most human character in the New Testament. For a person who is seen as the rock on which the church is founded, he also had his fair share of doubts and mistakes. For that reason he is a “spiritual” leader we can all relate to. I have always felt that doubt is not the opposite of faith but rather an integral part of it. Any pattern of faith that we explore must be earthy and real, and about fulfilling our deepest sense of who we are.

Yesterday we had our annual visit to our founding Parish of St Peter’s Church Glenelg. In the Service, through a series of quiz questions, we explored the story of Peter and how he was able to persist through doubts and mistakes to be a true and faithful leader.

Next week we conclude our term’s Chapel Service with a presentation by 1NF and 1NC on the theme “Losing our Way! Finding our Way! – the Parable of the Lost Sheep” Thursday 24 September 8.45am. All Welcome.

Library News
Please return all books to the Library ASAP. Years 4-7 can still borrow as per usual as long as they have no overdues. R-2 students need to return all books. Could you please help your children to find and return all Library Books? Thank you.

Please feel free to visit us in the Library if you have questions.

The Hub
The Hub continues to be a busy lunch time destination. On Monday and Friday there is Games Club with students in different year levels playing board games together. Knitting is on Tuesday. Often the needles are clicking away as quickly as the students’ tongues. The younger students learn French knitting and often proudly bring in their creations from home. Lego Technic is for students in Year 4 and up. We have had flashing lights with rotating wheels used to finish off complicated structures. Yoga is also in the hall on Tuesday providing another wonderful opportunity for our students to have a try at something different. Chess is popular on Wednesday with Father Andrew teaching students the rules of the game. With our wonderful new Lego Wall, Thursday’s Lego session is busy. Students create amazing structures individually or in groups chatting away about different combinations and negotiating for those essential pieces.

Most importantly, The Hub has become a place where students know they can come and connect with friends or have a chat with an adult about anything they wish. Lego and footy are popular topics at the moment.

MONDAY BARBECUES
Next Monday will be the final after school barbecue this term. Thank you again to all our willing volunteer helpers, and to everyone who has supported us during the year thus far.

BEACHHOUSE LOCK-IN, FRIDAY 25 SEPTEMBER 3.45-5.45PM
Book your tickets now—only one week to go. Don’t miss out on what is a fantastic way to end the school term. There will be an exclusive lock-in at the Beachouse for 2 hours of fun and games. The cost is $25 per child. Invite friends from your sports team or your favourite cousin. Parents, why don’t you buy a ticket and join in the fun. No ticket required for supervising parents. Book now via Trybooking, www.trybooking.com/IQOD

SCHOOL DISCO
The Junior Primary and Middle Primary discos are booked for the afternoon/evening of Friday 30 October (Week 3 Term 4). If your child is interested in dressing up, the theme this year will be ‘Halloween’. Tickets are $10 and will go on sale at the commencement of next term via Trybooking.
A note will be sent out soon regarding help from Parent Volunteers on the night. If you are interested in assisting, please ensure you have the SPW School Volunteer Clearance.

**PLANNING FOR 2016—MEETING WEDNESDAY 28 OCTOBER, 7.30PM**

If being a part of the PFA in 2016 is something which may interest you, now is the time to begin to get involved. Term 4 Week 3 is our big ideas planning meeting for 2016. If you have some great ideas that you may like to suggest for the 2016 calendar, this is the time to put your thoughts forward for consideration. If you think you would like to be involved and help out, or are interested in becoming a part of the Executive team, please come along and let us know.
