School Sport – matches and training sessions

Where the forecast temperature as published in the Advertiser newspaper is 35°C or more, all scheduled training sessions and matches will be cancelled. If the temperature is not forecast to reach 35° but conditions are considered by the coach / manager to be likely to cause stress or extreme discomfort to the participants, then a modified program will be introduced.

There is NO early dismissal from class for hot weather but on excessively hot days parents may, if they wish, collect children early with prior notification.
