From the Principal
As this is the first Weekly for the 2014 school year, I would firstly like to welcome all newly enrolled children and their families to the SPW community. I also welcome back returning students; together we look forward to a year where, through our endeavours, will be mindful of our theme for the year “Courage to be Great”.

Whilst talking of courage, I was extremely pleased to be part of our first Service in our very own St Margaret’s Chapel yesterday, and was particularly proud of our School and House Captains who were formally inducted as School Leaders following their selection at the end of the 2013 school year. I look forward to the leadership of:

School Captains: Claudia Mesecke, Jack Cheesman
House Captains:
- FLINDERS: Madeline Allchurch, Grace Burton, Ned Poole, Alexander Stathopoulos
- STURT: Gracie Rawson, Lauren Ward, Lachlan Gayler, Sam Lange
- LIGHT: Ashlynn Jeffries, Rosa Twyford, Jack Gulliver, Nicholas Pidd
- EYRE: Laetitia Ferreira, Jahara Nolan, Riley Cater, Jayden Frankenfeld

Secondly I would like to publicly thank all staff of SPW for ensuring that the academic year began in such a positive and energetic manner. It is so important that children return to a well organised and receptive environment, where high expectations are set, thus giving us a clear view of the year ahead.

In closing for Week 1, I invite all parents and caregivers to engage with us, the staff of SPW, in the interests of our children. There is no issue, either big or small, which cannot be discussed and resolved.

Until next week …..

Christopher Prance
Principal

Thank You
I have been overwhelmed by my welcome to SPW. What beautiful children.

I look forward to meeting you all and to being part of what is a wonderful community.

Please do not hesitate to contact me at any time mhore@spw.sa.edu.au, or through the Front Office, with any concerns.

Deputy Principal

Chaplain’s Chat

It was fantastic to have the induction of School Leaders and House Captains during our first Chapel Service for 2014. As we celebrated their particular roles for the coming year we reflected on the leadership that we can all show in our work and play at SPW.

Chapel Services through the year take various forms, sometimes Holy Communion, sometimes a guest speaker, sometimes a special event, and also each year level from Years 1 to 7 presents two Chapel Services during the year. The Chapel Choir plays a crucial role in enhancing our worship and you might like to see the note about Chapel Choir auditions further on in this edition of The Weekly.

Next week’s Chapel will be our whole school Commencement Service for the year and will include a procession of school symbols involving student volunteers from every year level. It should be a great celebration. I extend a welcome to all parents and members of the SPW community that you are always welcome at our Chapel Services 8.45am every Thursday. I wish all our students, staff and family members every blessing for the 2014 school year.

SPW Chaplain

Chapel Choir Auditions

1.00pm Wednesday 5 February in the Music Suite

Last year the Chapel Choir continued to grow in stature and made an impressive contribution to the worship and artistic life of SPW. With a number of members graduating last year there are available places in the Choir. Selection for these limited places is by audition and we are holding auditions this coming Wednesday 5 February at 1.00pm in the Music Suite.

The Choir is open to students from Years 4 to 7 and is an extra commitment on top of their Middle Primary or Upper Primary Choir. Chapel choristers must be part of their sub-school Choir as well. Chapel Choir rehearses on a Tuesday lunchtime and members are expected to be regular in their involvement and committed for the full year. Because of these expectations, we ask that you discuss this with your child so they are aware of the commitment before auditioning. The Choir is coordinated by Fr Andrew Mintern and Mr Paul Mesecke and accompanied by Mrs Jenny Campbell.

If you would like to try out to be part of this excellent choral experience, please come along to the Music Suite on Wednesday.

Fr Andrew Mintern & Mr Paul Mesecke

Kiss & Drop Zones

REMINDER

Please remember that the Kiss & Drop zones are for dropping off and picking up children. These are NO PARKING areas but ones which are constantly changing, thus allowing all families to access the marked zones during the busy periods of the morning (drop off) and afternoon (pick up) times. Thank you for your assistance in this matter.

Parking in Nearby Streets Reminder

As a reminder, would you please be mindful when parking in the streets around the school, that you DO NOT PARK OVER DRIVEWAYS. Thank you.

Database Information 2014

REMINDER

Thank you for returning your database forms which are used to update student and family records on our database system. For those who are yet to return the paperwork, could we remind you that we require this information to ensure we have accurate up-to-date details to comply with our duty of care regulations. The cut off date for return of forms is Friday 7 February. Any forms returned after this date will not be included in this year’s Buzz Book. If you have any queries, please contact Leonie Jones on ljones@spw.sa.edu.au. Thank you for your assistance.

“Life is a series of experiences, each of which makes us bigger, even though it is hard to realise this. For the world was built to develop character, and we must learn that the setbacks and griefs we endure help us in our marching onward.”

PFA
Welcome to 2014. This year plans on being filled with a lot of enjoyable fundraisers and friendraisers for the children, parents and the school community. Below is what we have planned for Term 1.

SPORTS BBQs – AFTER SCHOOL EVERY MONDAY
With all Junior Primary sports being conducted on a Monday after school, we will now have a sausage sizzle available in Terms 1 and 4, as well as the traditional winter terms. All parents of Junior Primary children participating in after school sports and activities are asked to lend a hand in at least one after school BBQ for the year. We require four (4) parents a week to run the after school barbecue from 2.30pm to 4.30pm. The first barbecue starts next week so please contact the PFA asap to let us know what week you are able to help out. Please refer to the Hot Weather Policy in this newsletter—BBQs will be cancelled on the days the predicted temperature (as per the Advertiser) is 35°C or more.

TWILIGHT ON THE GREEN – 21 FEBRUARY
Twilight on the Green is being held again this year on Friday 21 February between 5.30pm and 8.00pm. This is an evening for all SPW parents, caregivers and children to relax with a picnic dinner on a rug on McKenzie oval. There will be raffle prizes, balloon people and a disco for the children (and perhaps parents) later in the evening and there will be drinks and gelati for sale on the night. Please see the attached poster for details; an RSVP form will be coming home to you in the Communication folders shortly.

This event has been organised by the PFA and we require a few helpers from Year 7 (parents or children) to help sell drinks and raffle tickets on the night. Please contact the PFA if you would like to help.

EASTER RAFFLE – 1 MARCH
This year the Easter Raffle has been allocated to Year 4 and The Pines parents and children. Organisation of the raffle needs to be started as soon as possible, with raffle tickets to be sent home soon. The PFA have notes on the organisation of this to make it run as smoothly as possible. If you are a parent from Year 4 or The Pines and would be interested in helping out, please contact us.
SHROVE TUESDAY – 4 MARCH

Shrove Tuesday is on 4 March and organised by the PFA. We need at least two (2) helpers per year level in the morning to set up, cook pancakes in the Shelter Shed, run platters to classrooms, and help clean up. As the PFA have done it many times over past years, a process has been established to ensure the morning runs efficiently, and all students and staff are provided with pancakes. The children absolutely love this morning, so with many hands helping it should run smoothly. Please contact us if you are able to help.

CLASS REPRESENTATIVES FOR 2014

If you would like to become a PFA class representative this year and get to know other parents, teachers and the community by being involved with friendraising and fundraising events, please contact the PFA.

The role of a parent/caregiver representative is to liaise between the PFA Executive and the parents/caregivers of each class. We also encourage you to work with other class representatives in your year level to organise social functions for children and parents.

We require two (2) representatives from each class. As a representative you are also encouraged to attend as many PFA meetings as possible (2 per term), this can be shared amongst your class representatives, but we hope to have a year level representative at each meeting to ensure there is input into the direction and outcome of the Association and to share information on upcoming events with your class parents/caregivers and teachers.

This year through a combined effort involving the class representatives in each year level, an Executive Leadership Team member has been located to each event plus the PFA Executive, to ensure the responsibility and organisation of events is shared and supports the PFA theme of “Many Hands Make Light Work”.

With a shared approach to organising your event it should not be onerous, and to make it even easier, the PFA will supply notes on how each event is organised.

Parent Evening - Monday 10 February

On the evening of Monday 10 February we are holding a class based Information Evening that has been planned with a varied focus from 2013. The rationale for the session is:

- To get to know your child’s teacher, and to experience their approach to teaching.
- To provide information that is classroom specific (organisation and routines) and to clarify information recently sent home.
- To provide parents with the opportunity to engage in a PYP classroom and therefore further develop your understandings around the PYP approach. You will engage with your child’s teacher as students for the evening and undertake tasks similar to the ones your children participate in each day.

To assist families with more than one child at SPW we will be repeating year level session as outlined below. Each session will run for approximately 50 minutes including the aspects outlined above. The evening will begin at 6.30pm in each classroom.

For parents who require child supervision, this will be provided on Braested Oval, for school aged children only, from 6.15pm until 8.30pm when the evening concludes.

Help your child shine at school this year

The single most important step you can take to help your child learn is to be an active participant in your child’s education.

Active participation includes: talking to your child about their day, hearing young learners read, helping with homework and making sure kids go to school happy, healthy and with plenty of sleep.

The second step is to become involved in your child’s school. This is harder than ever due to work and other commitments, but you can still be positively engaged in the life of your child’s school even when you work. Here’s how:

1. **Find out** what your child’s school is trying to **achieve** and show your support for its aims. What is your school focusing on over the following three years? What are its specific values? Answer these two questions and you’ll be streets ahead of most parents I know.

2. **Support** a broad, **balanced curriculum** that offers a variety of experiences rather than a program that narrowly focuses on the 3 Rs.

3. **Direct** conversations through the **correct channels** such as your child’s teacher, the principal or the school’s governing body. Thoughtless gossip and car park committees merely tarnish a school’s reputation.

4. **Get** the school diary and place open days, interview days and other important days in your own diary so you can plan ahead.

5. **Meet** with your child’s teacher at the start of the year and ask for practical ways you can help at home. Every teacher has their own style and way of doing things. Make sure your child’s homework routine fits that of your child’s teacher.

6. **Encourage** your child to take **pride** in their school, and don’t ‘bag’ it yourself. Your positive advocacy of your child’s school will send a powerful message about schooling and learning.

7. **Model** learning and reading. Your kids need to see you learning new things and reading so they become normalised. In particular, boys are more likely to latch on to reading when their dads read to them and also read at home themselves.

There are lots of ways you can support your child’s learning. However you can’t go too far wrong if start with these basics; take a real interest in what kids do at school and be an active, risk-taking learner yourself.
