From the Head of Primary
This Thursday, Middle Primary students warmly welcomed their grandparents and special friends to share with them a part of their learning at SPW.

The morning opened with the Middle Primary Glee Club singing several songs. This was followed by a Chapel Service focusing on an inquiry about Grandparents led by the Year 5 students, who presented with eloquence and confidence. The Service concluded with the Year 5 students singing "You Raise Me Up." After this, students and their grandparents/special friends came together to celebrate and share in the inquiry learning of the students.

Students took their grandparents and special friends on a tour of the school to help them understand something of what it’s like to be a student at SPW. This included the history of the school and the learning, through the Primary Years Program (PYP), that has occurred both in and outside of the classroom. It was a wonderful morning. Following this, the grandparents and special friends enjoyed a delicious morning tea in Nutter Thomas Dining Room, where there were many conversations about how learning has changed and excitement in sharing in their grandchild’s learning. Thank you to everyone who made the morning possible.

On Wednesday, another first for SPW occurred when Year 5CK attended the SAPSASA Goalball at Seaview High School. Goalball is a game for the visually impaired, first introduced in Australia in 1980. We entered 5 teams, as it is open to all, with the students wearing a blindfold. This was a wonderful experience for our students in which they may have never had the opportunity to participate, which also gave them a bit of an insight into the challenges of having a vision impairment. The students represented SPW very well in the way they participated and spectated. Their efforts and practising certainly paid off, with Team 5 winning the SAPSASA Primary Division and Team 1 being runner up. Thank you to Mrs Cathy Kowalick, Mrs Tiona Ryan and Mr Huw Bowen for initiating this opportunity and guiding the students through the process to enable them to participate in the event. To gain a better understanding of the game you may like to refer to www.goalball.com.au

Until next week ….

On Site Psychology Services
From Term 3 a psychologist from Psychology SA/CEDAS will be available to provide on-site psychology consultations to children attending SPW. Psychologists are able to provide intervention for a range of issues including excess worry, fears and phobias, sleep difficulties, emotional regulation issues, friendship issues or behaviour concerns. Medicare or private health rebates may apply and will often cover the majority of the cost of the consultation. The psychologists are also available to undertake educational assessments where there is concern about learning difficulties or where a student does not appear to be achieving to their full potential. These services are not covered by Medicare but private health rebates may apply.

If you think these services may be of benefit to your child, please discuss with your child’s teacher or Tina Day, Coordinator of Learning Support. For more information about Psychology SA/CEDAS, please visit their website at www.psychologysa.org.au.

Chaplain’s Chat

What is a Sacrament? A traditional answer to this question is “an outward and visible of an inward and spiritual grace.” That is a good working definition. The two Great Sacraments will be celebrated specifically in next week’s Chapel Service – Baptism and Communion.

Currently 24 Year 3 to 5 students are preparing for Admission to Communion and 8 of those students will be baptised in the Service. In baptism, we turn to Christ, and away from all that creates barriers between us and God (what is often called “sin”), we state our belief in God the Father, Son and Holy Spirit and we promise to love God and our neighbour as ourselves.

In Communion we share the bread and wine, symbolic of Jesus’ body and blood. In the sharing of Communion we remember Jesus - bringing his life, his teachings, his actions, his inspiration into our own lives through this ongoing memorial in his name. In these outward rituals we celebrate an inward spiritual gift of God for each of these students. Please pray for those to be baptised and admitted to Communion next week. 8.45am Thursday 26 June. All welcome.

Lost Property

Is your child missing an article of school clothing or a lunch box etc? Please visit the Front Office and look through the full to overflowing bins under the stairway inside the side entrance to the Law Smith building. Thank you.

Access to Classroom Buildings

Due to building works around the Hub and surrounding courtyard area, there will be no access for students or parents in the main thoroughfare between the Law Smith, Gillam and Thorpe buildings during the first 2 weeks of Term 3. Alternative access to the Reception and Year 2 classrooms will be from the south side of the Thorpe building. Entrance to Millington (Years 1 and 3) will be easiest via the Pier Street side.

New Process for Volunteers at SPW

NEW PROCEDURE FOR ENTERING SCHOOL GROUNDS OUTSIDE NORMAL DROP OFF AND PICK UP TIMES

The School has recently reviewed its Child Protection Policy and Procedure as part of our efforts to continually improve. Through this review, it became evident that we need to improve the visibility of everyone on the School grounds and/or premises at all times. This is also a stringent requirement of our Emergency Evacuation Policy and Procedure.

Commencing Term 3 2014, we are requesting all volunteers, visitors and contractors to sign in, and out, of the Front Office when entering school grounds and/or premises. After signing in, a badge will be issued. This badge will need to be visible at all times. At the end of your visit, we ask that you sign out and return your badge to the Front Office. Any person, outside normal school drop off and pick up times, not displaying a badge will be asked to return to the Front Office to sign in.

In the interests of your child’s and your own safety, we strongly ask that you comply with this procedure. If you would like to discuss this issue further, please do not hesitate to contact me on 8295 4317 or via email at lsarich@spw.sa.edu.au or your relevant Head of School.

Human Resources Manager
