Volunteer Information Booklet
Introduction

As the care and protection of students is paramount, St Peter’s Woodlands Grammar School has a strong commitment to the development of a safe and well-ordered learning environment. We comply with legislative requirements, in relation to child protection, including the Children’s Protection Act of 1993 and this policy aims to ensure a safe environment for all.

Within this context, we have developed this SPW Volunteer Policy, as we believe that voluntary workers are making a significant contribution to this School community.

Who are the Volunteers?

Any person, who donates their time to work at the School and is having direct contact with, or works in the presence of, students is considered a volunteer.

Volunteer Selection Procedures

Volunteers will be assessed for their suitability to work at the School by the Principal / Nominee. This assessment is made in relation to the skills and contributions being offered and only after verification of the person’s good character.

Volunteers will be required to:

1. Complete a Volunteer Agreement Form relating to qualifications, experience and including names of referees (form attached)
2. Agree to undertake a National Police Certificate at no expense to the applicant or hold a current (not due to expire with six months) Teacher Registration Certificate, Police Identity Card, Catholic School Criminal Check or Criminal History Check clearly stating the purpose relates to working with children
3. Undertake appropriate induction training, as necessary

The Principal / Nominee’s decision in determining eligibility to work as a volunteer at SPW is final.

The School’s Responsibilities to Volunteers

- A staff member will be allocated by the Principal/Nominee as the volunteer’s supervisor in each area that he/she works. This will normally be the staff member that the volunteer works alongside, unless otherwise advised
- Accurate records will be kept of a volunteer’s training and work details, as per point 3 above
- Volunteers may be provided with induction training that could include:
  - Responding to Abuse & Neglect/Child Safe Environments training
  - Workplace Health & Safety training
  - Duty of Care responsibilities
  - Confidentiality requirements
  - Training specific to the area of volunteer work
- Volunteers will be matched with work that is suitable to their skills, interests, time commitments and health status
- Changes to a volunteer’s work will be made only after consultation with the volunteer
- Supervising SPW staff, Human Resources Manager and the Principal / Nominee will be available to discuss a volunteer’s concerns, should they arise
- The School will notify the volunteer, in advance, when their police clearance is due to expire (A National Police Certificate is valid for three years)
Volunteers Responsibilities

Volunteers are expected to ensure that:

- they are not alone with a student out of the sight of an SPW staff member
- they are not involved in toileting students, or assisting in change rooms and sick rooms
- they do not have intentional physical contact with students
- they do not display intimidating behaviour towards students
- they speak positively to students
- they refer all student concerns or behavioural issues to the supervising teacher
- they refer all requests to access School files through the supervising teacher
- they sign in and out at Front Office on arrival and departure (during School hours)
- they wear the allocated volunteer badge (during School hours)
- they notify the School as early as possible should they be unable to fulfil their commitment

Cancellation of Agreement

If concerns arise about a volunteer, opportunities to remedy the problem will be offered where appropriate. A Volunteer’s Agreement can be cancelled at the Principal/Nominee’s discretion and where the volunteer:

- has no more suitable work available
- fails to follow requirements outlined in this Policy
- behaves towards students, parents or staff, in a manner deemed inappropriate or improper
- repeatedly fails to meet commitments without notice to the School

Obtaining a National Police Certificate

1. Read these Policies and Procedures and then complete the attached Volunteer Agreement Form.
2. Complete (on-line) a National Police Certificate Application Form. This can be downloaded at [http://www.sapolice.sa.gov.au/sapol/services/information_requests/police_checks.jsp](http://www.sapolice.sa.gov.au/sapol/services/information_requests/police_checks.jsp). If it is not possible to complete on-line, a hard copy can be obtained from the Records Release Unit at SAPOL. When filling out the Application form, use the descriptive ‘Volunteer in School’ for Purpose of Check, for Category please place a ‘x’ next to ‘Working with Children/Vulnerable Groups’ and by Check Type place a ‘x’ next to ‘VOAN Volunteer (VC)’. This will ensure the correct check is carried out and you will not be charged for the Certificate, as per the example below:
3. The National Police Certificate Application Form needs to be printed and taken to a police station with 100 points of identification (see Page 4). It will then be endorsed by a Police Officer and returned to you.
4. This National Police Certificate Application Form and Volunteer Agreement Form should then be forwarded to SPW in order that a member of the Executive Leadership Team can provide the VOAN and School stamp.
5. The endorsed National Police Certificate Application form is then forwarded directly to SAPOL by the School, on behalf of the applicant.
6. The National Police Certificate is sent directly to the applicant by SAPOL.
7. Once the applicant has received the National Police Certificate the original needs to be sighted by a member of the School’s Executive Leadership Team. The original will then be returned to the applicant with a copy of the authorised Volunteer Agreement Form acknowledging that the applicant is now registered with the School for volunteer work.

Volunteer Information

Volunteers play an important role at SPW. Your participation in the work of the School is greatly appreciated and valued. While the welfare of our students is our highest priority, we want to do everything possible to ensure your involvement is a rewarding and worthwhile experience. The following information is provided to inform you of your role and to ensure our students are safe and protected, as well as to strengthen our partnership with you. Volunteers who have close contact with students, eg sports coaches, reading volunteers, canteen volunteers, and those who assist at camps or excursions, will receive training and extra information where necessary eg specific skills, safe practices and information on students who have medical conditions, all of which is discussed in confidence with you.

Record Keeping

We need to know who is in the School at any one time, especially in case of emergency. You will be required to “sign in” and “out” at the Front Office and will be provided with a volunteer badge that must be worn at all times. This badge needs to be returned to the Front Office when you sign out.
Student Behaviour
We expect students to treat you with respect and courtesy at all times. If students behave inappropriately, you should remind them of the correct behaviour and help them make the right choice. If the behaviour continues, please seek help from the supervising staff member or class teacher.

Privacy and Confidentiality
Schools are required to comply with Australian Privacy legislation regarding the use and release of information. Any personal information (including names, addresses, telephone numbers, circumstances or situations of any nature) about students, staff and volunteers of which you become aware during your volunteer work must not be shared, unless it is required by law eg it is relevant for reporting alleged child abuse. Please avoid making any comments about the use of individual teaching methodologies, student behaviour or specific students to other people.

Communication
Please remember that you are acting as a role model to the students who observe you. Your language and topics of conversation should be appropriate to the age with which you are working and of a professional manner.

Being alone with students
To ensure your safety and the safety of our students, you should be within sight of a member of staff/adult when working alone with an individual student. Do not shut or lock a door so that you are in a room alone with a student. You will not be required to mind a class in the absence of a teacher.

Toilets
Please use the staff toilets, and do not enter toilets allocated for student use. You will not be required to assist with the toileting of students, nor with sickroom duties.

First Aid
If a student is injured or ill, please advise the supervising teacher/class teacher or Front Office as soon as possible. Our Front Office staff or another staff member will provide first aid and/or comfort to an injured or distressed student, and contact parents if necessary.

Physical Contact with students
Please avoid unnecessarily touching students unless there is a genuine emergency, as this can be seen as inappropriate in some cultures as well as making the children feel uncomfortable.

Responding to Abuse and Neglect / Child Safe Environments
Under the Children’s Protection Act, 1993, as a volunteer you are obliged by law to notify Families SA if you suspect that a child (under the age of 18) has been abused or neglected. Also this is supported by the following guiding principles of the National Safe Schools Framework (Australian Government Department of Education, Science and Training, 2003). This is done by telephoning the Child Abuse Report Line on 131 478.

If you require any advice you can contact the following organisations: Child Protection Services at the WCH on 8161 7346 or Flinders Medical Centre on 8204 5485. Do not question those involved as this could compromise an investigation. The law does not require that you prove your suspicions, but it does require that you report them. Please consult the Principal.
or member of the Executive Leadership Team for advice if you feel the need.

Definitions of abuse:

**Physical Abuse** - “Physical abuse is any physical injury inflicted upon a child.”

**Sexual Abuse** - “Sexual abuse is any sexual behaviour imposed on a child.”

**Emotional Abuse** - “Emotional abuse is a chronic attitude or behaviour towards a child which is detrimental to or impairs the child’s emotional and/or physical development.”

**Neglect** - “Neglect refers to any serious omission or commission by a person which jeopardises or impairs the child’s physical, intellectual or emotional development.”

**Sexual and Racial Harassment and Bullying**

Under the Equal Opportunity Act, 1984, it is unlawful to subject a student, a fellow employee or volunteer worker to sexual or racial harassment. The Principal or other members of the Executive Leadership Team will investigate any reports of sexual or racist harassment or bullying.

Harassment and bullying consist of acts or behaviours which are directed against individuals or groups and which are experienced as insulting, offensive, demeaning, humiliating or intimidating. It can include belittling comments, ridicule, graffiti, name-calling, put-down jokes, attacks on property, exclusion, and physical violence.

**Workplace Health and Safety**

The School is responsible for providing a safe working environment. You are asked to take reasonable responsibility for your own health and safety, and avoid the possibility of an accident or injury while you are at the School. Special care is needed when lifting heavy objects. Please do not become involved in any activity which is likely to put you, a student or anyone else at risk. Please familiarise yourself with emergency procedures for evacuation (can be found by the door of each room) and report all risks observed, injuries and accidents occurring whilst at the School, to the staff member responsible for that activity as soon as possible.

**Emergency Evacuation**

In the event of an emergency requiring evacuation, there will be a signal (alert tone) which is a ‘whooping’ alarm. This will be a continuous siren. In the event of an emergency during business hours, the alert tone will activate throughout School buildings and you will be required to evacuate to the designated assembly points along the perimeter fences of the nearest School Playing field (either Mackenzie or Braested) or as directed by a Warden. The all clear will be signalled by a continuous blast of the siren.

In the event of an emergency requiring a ‘lock down’ of the premises, there will be a signal which is repeated 3 second blasts with 1 second intervals of the School siren. This will continue for several minutes. In the event of an emergency during business hours where the lock down alert tone is activated, you will be required to lock yourself in a safe room or building, close all blinds and curtains, turn off all lights and ensure the doors are locked or act as directed by a Warden. The all clear will be signalled by a continuous blast of the siren.

If you discover an emergency situation outside of business hours, you should raise the alarm by breaking the glass and activating the fire alarm button, and then evacuate to the ground floor and await the arrival of the emergency services.
Smoking
Smoking is not permitted in buildings or School grounds.
