What does SPW offer for children in the 2 to 5½ year old age group?

Mr Christopher Prance, Principal of SPW invites you to attend an Information Evening, to be held at the School on Tuesday 26 August 2014 at 7.00pm.

Naturally, we speak to a large number of families who are considering their children’s early years education. Many of these families have questions about the requirements and stages involved in starting their children at school.

Mr Prance, who specialises in Early Learning and Primary schooling, will present general guidelines about early learning, preschooling and starting school. He will also explain the programs offered at The Pines Early Learning & Care Centre, at SPW.

You are welcome to come along to discuss the Early Learning process and join other parents who have the same questions, in a relaxed and friendly atmosphere.
