From the Head of Primary

I want to stay as close to the edge as I can without going over. Out on the edge you see all kinds of things you can’t see from the centre.

Kurt Vonnegut

Almost all of us will admit when we try something new it takes courage to move from our warm, comfortable spot in the middle, to one of discomfort, somewhere over there. Everyday, our staff ask students to walk beside them to move a little closer to the edge and bravely peer over. As parents and carers, through the conversations you hear and actions you see, you get a sense of the courage your children are demonstrating. No matter how small the steps toward the edge, it is important to take time to reflect and celebrate each change of scenery with your child.

Your children are explorers, navigating their way to new understandings. We deeply appreciate your willingness to be part of this amazing journey. Happy travelling.

HIGH JUMP PRACTICE—YEAR 4 AND 5
Friday 12.50-1.30pm, lunch times in Baddams Hall (gym).

Netball School of Excellence—Marg Angove
It is with great excitement that we can announce that Marg Angove will be the coach of our Development and Senior Netball School of Excellence squads in 2015 – a major coup for SPW. Marg will also be overseeing the JP Net Set Go program.

Marg’s distinguished coaching career includes periods coaching national teams, a long and distinguished career as Head Coach of SA Netball, and longstanding involvement with developing coaching programs and coach education. She was the inaugural coach of the Adelaide Thunderbirds and voted as SA Coach of the century. Marg was awarded the OAM in recognition of service to the sport of netball, particularly in the development of coaches and coaching programs. In her early career Marg was also coach of the Woodlands Girls Church of England Grammar School netball team.

For staff and students we are very much looking forward to working with and learning from Marg.

Coaching Accreditation Opportunity
An opportunity for any parents who want to get coaching accreditation.

The AFL Level 1 Coaching Course details have been locked in and we are ready to take registrations. The structure of our coaching courses has improved, designed to maximise the learning outcomes for each coach. Things worth noting are:

- All metro courses will be specific for junior, youth or senior coaches. Courses are spread out around the metro areas.
- The Level 1 accreditations process will involve – an online course about general principles of coaching, a face-to-face coach education session and an assessment.
- All metro courses will be held at a facility that includes an indoor playing area to allow practical sessions.
- All registrations and payments will be taken online through sportingpulse.

Full details and a registration/payment link can be found on the SANFL website http://www.sanfl.com.au/community_engagement/coaching/courses/level_1/

Year 6-7 Centre
During the school holidays the Upper Primary centre was renovated; this included new TVs, furniture and cool smart walls.

The new furniture and cupboards have been moved into our rooms. The desks have a cool curved shape, some of them have whiteboard tops for when the students run into tricky math questions, and the cupboards are also whiteboards. One wall in each room has been covered with a special paint to turn them into Smart Walls (walls which you can draw on).

We are very fortunate to have three Smart TVs in each room of the Year 6-7 Centre which means that iPads and computers can be synced up to these, and we can use them for presentations speeches, sharing, viewing, etc.

Lately we have been in the process of creating an acronym, which will represent how we act, learn and behave in Year 6 and 7. We started this process by brainstorming words of how we act, behave and learn. Over multiple sessions we have narrowed down the list of words. We have been led by the 2015 House Captains and recently created several acronyms which we will vote on to see which is the one we think should represent the Year 6-7 Centre at SPW.

Information Technology
Over the past two weeks we have been busily preparing the iPads ready for use in Years 5 to 7. In the process of doing this it is timely to reiterate the following.

An important part of using the iPads is to learn about responsible use and becoming good digital citizens. This will be an ongoing focus throughout the year.

FaceTime and iMessage are valuable apps that some families use for keeping in touch with family and friends living elsewhere. However, we are trying to instil in our children that these apps should not be used just simply to chat to each other outside school. In particular the choice of subjects discussed and the time at which these calls occur.

Homework on the iPads - each year level will progress with the iPads at different rates. Teachers will endeavour to indicate time required for any homework tasks on the iPad to assist parents in managing their use at home.

Any apps required for school will be purchased by the school and distributed as required using Meraki MDM (Mobile Device Management). Parents do not need to purchase apps for school.

Finally, I would like to run some iPad workshops for parents in the very near future. Please let me know of particular topics you’d like covered so I can tailor to suit needs.

Chaplain’s Chat

A special tradition at SPW is the procession of symbols in our Commencement Service. On Thursday morning, students from Pre-School to Year 7 and staff members helped to bring forward symbols representing the many aspects of our learning journey at school. These connected with the ten PYP Learner Profiles for year levels up to Year 5, and this year we made connections with some of the new curriculum features of our innovative Year 6/7 Centre. It was a wonderful opportunity for children of all year levels to participate.

Next week (Thursday 12 February 8.45am-9.15am) will be a Communion Service on the theme “The Prayer that Jesus Taught us”, where we will learn and examine the Lord’s Prayer. Please note that members of other church denominations are always very welcome to receive Communion at SPW.

A reminder too that members of the school community are always welcome at any of our Chapel Services. If you want to catch up with me afterwards for a chat or a cuppa, this is a great opportunity to do so.

PFA Class Representatives for 2015

The primary role of the PFA is to help foster a sense of community within the School with the major objective of friend raising and fundraising. The PFA is an incorporated self-funded body which operates in accordance with the PFA constitution. All parents, caregivers and friends of the St Peter’s Woodlands community are considered to be members of the PFA.

PARENT REPRESENTATIVES
As the School has grown in recent years to over 860 students from the Pines Early Learning Centre to Year 7, it was timely to review the structure of the PFA in relation to the network of parent class representatives. The input of the class representatives is vital to the success of the Association through the exchange of information to and from the PFA Executive and in helping to foster a sense of community among classes and year levels.

Each class, including The Pines, has the opportunity for two class representatives. This is essentially a liaison role between the PFA committee and the parents, caregivers and friends of each class. We encourage you to work together with the other class representative in your year level as a group on various activities which may include:

- Publicising and championing PFA events to children and parents
- Arranging school functions for children and parents
- Assisting with designated PFA events
- Attending as many PFA meetings as possible to ensure that you have input into the direction and the outcomes of the Association, and
- Collaborating with other representatives from your year level for the organisation of any year level ‘friend raiser’ functions.

PFA KEY REPRESENTATIVE FOR EACH YEAR LEVEL
One of the class representatives from each year level becomes the point of contact with the Executive and the key teacher for each year level.

*An email will be sent to notify each player of the trial details.*

### Selection Process

The selection panel will be the coach and manager plus SACA representatives. Selection will be made on the basis of:

1. Skills demonstrated at selection trials.
2. Known ability in local competitions.
3. Being a ‘good sport’ and demonstrating good behaviour off the field.
4. Parental permission has been obtained for the championship.

### Further Compulsory Commitments if Selected

All selected team members will be required to attend:

- All team trainings
- Order uniforms via on-line process with supplier. (If this option not available an outfit session will be arranged)
- A team photo shoot

All dates will be notified once they have been confirmed.

### Endorsement:

Please note that selection in a SAPSASA team requires endorsement from the student’s school principal before becoming final. Therefore parents are advised not to make any arrangements that incur costs until the school has confirmed that the student fulfills all requirements.

### Championship Cost

An individual itemised account will be provided for every student selected in an interstate team. Championship levies, travel and training costs relevant to the student will be included on the invoice. NB. Uniforms*, accommodation, food and personal spending money will be additional costs for families and will not appear on the invoice. Please note that trips interstate may be quite expensive and many have exceeded $1000. *A new on-line system for ordering all uniforms is planned for 2015 with credit card payment direct to the supplier required to process the order.

### Accommodation

SA is not part of the SSA billeting program. Parents who are in a position to accompany their children must provide their own accommodation whilst at the championship. This also includes transport to and from the venue each day. Should this not be possible then the family will need to negotiate with SAPSASA to arrange appropriate accommodation.

### Travel:

If selected in a state team, a non-refundable flight booking fee applies. This amount will be included on the student’s itemized account. Students have 2 travel options.

1. Travel with officials as a group to and from the championship, with all travel arrangements coordinated through the SAPSASA office.
2. Parent / Caregiver may negotiate independent travel arrangements (eg plane, bus, train car) for the return trip only. Students who are returning independently of the group, but on the same flight, bus, train, car must still be accompanied by a parent / caregiver. Team officials will not be responsible for duty of care, as seating with the team cannot be assured.
