From the Head of Early Learning
As you are aware, in recent weeks we posted over 300 Early Learning surveys to both existing SPW families and those who have children enrolled to be a part of our dynamic learning environment at SPW in the future.

Whilst we receive consistently positive feedback from our families regarding our outstanding staff and engaging program; the purpose of the survey pertains to the feasibility study regarding the provision of long day care.

The survey asked families to:
- Identify those factors which they feel are important in providing a quality Early Learning environment for their child/ren
- Indicate whether or not long day care would support their family
- Detail any other comments or feedback in relation to the existing program or future needs

The survey results will enable us to determine whether our families would like the Early Learning Centre to provide a long day care model of learning for preschool aged children. It is anticipated that the data analysis will be completed by an external provider, Communikate, prior to the commencement of Term 2. This will enable us to commence the process of purposefully designing any required restructuring during the remainder of this year.

Thank you to all families who have taken the time to complete the survey, as this information will be instrumental in shaping our way forward.

Reminder—End of Term 1
The last day of Term 1 is Friday 10 April. As children will be leaving at the normal finishing time of 3.15pm, no child care will need to be provided by SPW. Children can of course still use Camp Australia facilities for Out of School Hours Care if they are a registered user.

Term 2 commences on Tuesday 28 April (Monday 27 April is a pupil free day which has been set aside for staff training).

Prayer
Dear Lord of all the earth,
Thank you for water,
Which we use for drinking, washing, cooking, gardening,
Playing in the pool, and having water balloon fights.
Help us not to waste or pollute water,
So that we can keep sharing water responsibly Throughout our lives.

Amen.

CONGRATULATIONS

Congratulations to 2AA and 2KP for their wonderful Chapel Service on “Rain, Rain, Rain”. They creatively retold the story of Noah and the Flood (Genesis 6-9) whilst weaving in the things they have learnt from their Unit of Inquiry on the Water Cycle. All life on our planet needs water to survive and thrive, and humans have a God-given responsibility to treat water well and protect it from pollution. The Year 2s have inspired us to think more about our actions. Well done.

CHAPEL SERVICE WEEK 10

Next week’s Chapel Service is our Holy Week presentation of the Easter Story led by our amazing Chapel Choir. Good Friday and Easter are the holiest of celebrations in the Christian calendar and represent the heart of our faith. The Chapel Choir have been practising hard to present the Easter story in a newly imaginative way through drama and song. It will be well worth seeing and you are warmly invited to attend. 8.45am Thursday 2 April in the Chapel.

ABM LENTEN COLLECTION BOXES

Please keep filling up your ABM Lenten Collection boxes supporting Youth Engagement programs in remote Aboriginal Communities and Positive Parenting Programs in the Solomon Islands. Every coin makes a difference. The due date for return of boxes is Tuesday 7 April, so there is plenty of time to fill them.

SRC News
All SRC members have been elected and are busy planning for this coming year. The role of the SRC this year will be to raise money for their chosen charity, and also to raise awareness of the cause they are supporting. Furthermore, they have chosen to support a local organisation where they feel they can make a real difference.

The SRC have chosen to support the work of the Hutt Street Centre. This organisation helps homeless people to rebuild their lives, without judgement.

Did you know?
* Homeless people are among the most marginalised people in Australia
* Roughly 105,237 people are homeless, that’s 1 in every 200
* 17,845 children are homeless
* In South Australia, 5,985 people are homeless

The Hutt Street’s vision is for a society where everyone is respected and encouraged to reach and sustain their full potential in a healthy, safe and inclusive community.

How can you help?
At Easter time, many of us enjoy quality time with families and friends; sharing food and laughter. As you look forward to this time we would like to ask you to donate some basic essentials to The Centre. Below is a list of items you might like to consider donating.

Please send all donations to the Chapel over the next couple of weeks. We will deliver all our items to The Hutt Street Centre at the end of term.

Children will also be taking part in a ‘Guess the number of Easter eggs in the bucket’ competition. Guesses cost 50c each and can be made at recess time either at the JP playground or on the Chapel steps. All money raised will directly help those facing homelessness.

The SRC would like to thank you for your support of their work and the work of the Hutt Street Centre. If you have any questions regarding the SRC and their work please email kramsay@spw.sa.edu.au.
