From the Principal

As another week comes to a close and there is an opportunity to reflect, I can put into context the exceptional presentation by Year 6 students at this week’s Chapel Service on Change and Transformation.

I say this in the context of a Principal’s Tour on Tuesday when, accompanied by school student leaders, I was able to showcase all those things that we are so proud of here at SPW, to a group of interested parents. High on this agenda was SPW’s interest in 21st Century learning and the curriculum and facilities we are developing to accommodate this.

Following this on Wednesday evening we had the opportunity to engage with parents of current Year 3, 4, 5 children in our renovated Year 6-7 Centre. This too was an opportunity to reflect on the changes that had taken place in our efforts to ‘raise the bar’ and provide outstanding opportunities for emerging adolescents.

If this wasn’t enough, on Thursday it was Mother Julia’s opportunity to be licensed as the newest Chaplain of SPW and, can you believe, that the presenter of her licence, representing the Archbishop, was the Rev’d Dr Theo McCall, who had previously worked at St Peter’s Glenelg and has now replaced our own Father Andrew as the Senior Chaplain in the Diocese of Adelaide.

It is in this context of constant change that the Year 6s presented to us their understandings of change and transformations. I was particularly taken by their skits that demonstrated their understanding of the opportunity we all have to be in a ‘growth’ mindset rather than a ‘fixed’ mindset.

Of course, growth mindsets enable us to embrace the change that is so important in educating children for the 21st Century.

Connecting all of these dots this week and relating them to change, has made for a very interesting week.

The Joy of Giving – Annual Appeal 2016

This week on the SPW Facebook page, Principal Christopher Prance launched the 2016 Annual Appeal - The Joy of Giving.

The Annual Appeal Program is an appeal that is made each year and invites member of our school community to make a gift to support the Building Fund and Scholarship Fund.

The year we are pleased to be associated with two projects.

♦ Donations to the Building Fund will enable us to create Nature Play Spaces in the Bowen Garden vicinity.

♦ Donations to the Scholarship Fund will help us to create several more opportunities for students to have an education at SPW.
Please take the opportunity to support our school.

If you would like to contribute please fill in your donation form and return it in the reply paid envelope to Karen Schaumloffel in the Development Office. If you require any further information please call Karen on 08 7221 6202.

The app design experts at MasterCard have come up with a new design and parent experience within the Qkr app, SPW’s preferred payment method for all canteen and, some, uniform shop purchases. Users will be able to see this upgrade to the Qkr app when updating from Apple’s App Store or the Google Play store on or soon after 16 June, 2016. Your username and password will remain the same, as will any credit or debit cards already stored within Qkr, as well as your profile settings and those of your children. What will change significantly is the look and feel of the app, and the screens you will see in the process of using Qkr. Below are some of the current Qkr screens on the left (as seen on an iPad today), and how they will appear with the app refresh (on the right).

Home Screen: Our school will appear at the top of the home screen for currently registered users, but note some new terms like “Discover” and “Activity” as Qkr is being used increasing by non school merchants around the world, so the design has been modified to cater for users in a wide range of industry sectors.

Receipts will in future be stored under the “Activity” tab. Your old receipts will still be accessible from this area.

Product selection screen: This screen will now be more efficiently used to make scrolling through a large list of products easier.

There is one feature we have always had but few people knew about, and that is the ability for busy parents to copy all of last week’s food orders to next week with the click of one button. This is made more visible in the new app with the words “Repeat Order”
