From the Deputy Principal

As we end another week of achievement and celebration we are reminded how quickly the weeks fly by. As is the case every year, the highlight was our Blessing of the Pets Service held on Braested Oval yesterday. It was perfect weather for the Service. Animals big and small joined their families as Mother Julia led us in worship to consider how blessed we are to have pets in our lives and remind us of our responsibility to them. Joined by Father Andrew and Father Brett, each and every pet, photo of pet and soft toy was blessed individually; it really is a special day for SPW. Thank you to Mother Julia for facilitating such a special event that again goes towards making our school the place it is.

On Tuesday the Year 6 students led a Year 4-6 Assembly, which was a wonderful opportunity for the Year 6 students to share their learning and opportunities including their poetry writing and PIPs, Passion and Interest Projects, to name just a few.

This week the Year 7 students have been involved with the Virtual War Memorial Fields of Remembrance as part of the provocation for their up and coming City Week experience. This will form a most memorable experience for them when they spend the Friday of their City Experience taking part in the Remembrance Day Service and celebrations and visiting the RSL. As part of this, for the first time, we will have a responsibility to care for and maintain crosses in honour of the 10th battalion, a WW1 battalion that includes about 700 servicemen and women. As part of their pre-City Week work, students will work with the education officer from the RSL; with each child being allocated a serviceperson to research. The research will be published on the Virtual War Memorial allowing the students to make a lasting contribution to the work of the RSL. This is a wonderful way for the students to make a connection to someone from the past.

In the coming week a group of students will also travel to the City to lay out the Fields of Remembrance for the 10th Battalion prior to the Remembrance Day service.

Have a wonderful weekend.

A follow up to this week’s Skoolbag Alert
You would be aware that on Thursday of this week an alert was put on our Skoolbag app notifying our school community that there had been someone acting suspiciously in the Glengowrie area, followed by details in relation to that person’s motor vehicle.

I would like to explain the protocols SPW has in relation to sending out this type of information. Firstly you would realise that we do not use this particular aspect of the Skoolbag very often; therefore it is only used when there is important information which needs to be transmitted immediately to the whole school community in a timely manner.

In this particular instance, the school was officially informed of a safety alert by the Deputy Chief Executive of the Association of Independent Schools of South Australia (AISSA) who had been notified by the Schools Care Team of DECD. All relevant DECD, Catholic Education and other Independent Schools in the Glengowrie area were also notified. We were also informed that SAPOL had been alerted.

Skoolbag Update
Skoolbag has recently updated their software. If anyone is having trouble viewing their attachments, turn your phone off and on again.

Extra and Co-Curricular Photographs—Years 3-7
A reminder that the next session of these photographs will take place on Monday 31 October during the children’s normal sport session in the afternoon. These photographs will be predominately Summer Sports Teams. Information regarding photographs to be taken and uniform requirements was sent out with the eldest child in each family on 18 October and can be found under Skoolbag, News.

Year 7 Jumble Sale—Wednesday 2 November
The Year 7 students are looking forward to running their annual Jumble Sale on Wednesday of Week 3. This event has a range of stalls for the children of other classes to buy things from and activities for them to do. All classes come and visit before recess and we encourage children to bring some money to spend.

Whilst planning the Jumble Sale, the Year 7 students learn about Business and Economics, resulting in them putting together business proposals for their stalls. Their aim is to make a profit and use this to support a chosen charity. The Year 7 students have voted for the charity they would like to support. This year they have chosen RU Ok. This is a suicide prevention charity in Australia, reminding people that having meaningful conversations with friends and loved ones could save lives.

Whole School Relay, Friday 18 November, 9.00am
This is an annual event held on McKenzie Oval just prior to the Early Learning & Junior Primary Sports Day, where all students support their House representatives (Foundation to Year 7) in the relay. Last year it was won by Sturt House …… who will be the winners this year?

Early Learning & JP Sports Day, Friday 18 November, 9.15am
After the whole school relay, the Junior Primary children will be participating in their annual Sports Day, where they will be involved in a range of different activities. The majority of events for Early Learning children will be held in their area.

Parents are welcome to watch and support their children in their efforts. To help us with organisation on the day, we ask that parents do not bring food, drinks, ice-blocks etc to children during activities or rest periods on Braested Oval. The finishing time will be
approximately 11.30am. Students will remain at school following Sports Day and normal routines for pick up after school are to be observed.

A detailed outline of the day will be sent home next week to all involved.

It’s Sneezin’ Season
It’s that time of the year again when the weather has changed and there is a lot of pollen in the air. If your child suffers from hayfever, it would be appreciated if they could take their preventative medication prior to coming to school. Thank you.

Parking Around School
Please be vigilant when parking outside of the school that this is done within the marked zones. Thank you.

Chaplain’s Chat
Many thanks to the staff and students who made the annual Blessing of the Pets Service a great success. This was my first experience of such an event, which seems to be a unique SPW tradition. I suspect that few clergy can say they have blessed a turtle or a leaf insect, but I can!

Next week the Year 4s will lead a Chapel Service on the theme of Faith in Art.

Starting on Friday night and ending on Sunday, I will be representing SPW at the Synod of the Anglican Diocese of Adelaide. This annual gathering deals with the “business” of the church, which this year includes thinking about the kind of qualities desirable in the new Archbishop of Adelaide who will be elected later this year.

ALL SOULS DAY SERVICE OF REMEMBRANCE—7.00PM, WEDNESDAY 2 NOVEMBER

The are three significant days this week

* All Hallows Eve Halloween 31 October
* All Saints Day Also called All Hallows Day 1 November
* All Souls Day 2 November
All Souls Day is the traditional day in the church’s calendar to remember all those who have died in the faith. There will be a special Service at St Peter’s Church, Torrens Square, to remember those we love who have died. When people enter the church, names of loved ones can be placed on the memorial list to be remembered in the prayers. Personally, I consider All Souls Day as a very important time of remembrance in the journey of grief; I invite anyone in the school community who may find this helpful, to attend.

Fr Andrew Mintern

Canteen
Thank you to the volunteers who assist in the Canteen. This week Sandy Wallace has been assisting, and we would like to personally thank her for providing some time to the school to help out in this area.

There will of course be some very excited recipients of these awards and there will also be disappointment. This unfortunately is part of life and in fact a little disappointment can actually be of benefit - as long as there are trusting adults who can teach them how to bounce back from it and talk through and channel this disappointment.

The staff spend many hours nominating and selecting children who will be delighted I am sure to receive these awards on 15 December or 13 December (Middle Primary). It is not an easy task in a community filled with worthy beautiful children. I look forward to our evening and to celebrating the many achievements of our students.
