- Jewellery – The only items permitted are plain gold or silver ear studs (one per ear)
- Nail polish and make-up may not be worn

- In the two weeks either side of the change-over from summer to winter or winter to summer uniform (ie end of Term 1/beginning of Term 2 and end of Term 3/beginning of Term 4) children may wear either winter or summer uniform (not a mixture of both). Full school winter or summer uniform will be required on days of significance (eg school photo days, excursions) which occur during these transition periods and parents will be advised of these dates and which uniform is to be worn.

HAIR

- It is our expectation that children will have clean, tidy hair that is clear of the eyes, natural in colour, and tied back if shoulder length or longer. Cuts lower than no. 3 are not acceptable.
- Long hair will be neatly tied back, braided etc at all times to keep it clear of the face, with royal blue hair ties/accessories.

- Foundation-Year 7 students – optional during Term 2 and Term 3

PE AND SPORT (F-7)

There is a distinction between the PE (Physical Education) uniform and the Sports uniforms:

- The PE uniform is for all students to wear for PE lessons. Children may wear their full PE uniform to school for the entire school day on days when they have a designated timetabled PE lesson.
- The PE uniform is also worn for after-school sports practices and for other activities as advised. This may include events such as Sports Days.
- For daily fitness, students may need to change their school shoes for sports shoes. They must then change back into their school shoes for the remainder of the day.
- The Sports Uniform is for students who represent the school in competitive sport. Details of the uniform requirements for each sport are detailed later in this document.
