Uniform Regulations

Please ensure all items of clothing brought or worn to school are clearly named, especially uniform items.

1. Introduction

The Uniform Shop is located at the eastern end of the Nutter Thomas Building near the Partridge Street gates. Standard hours are listed on the school website and any short-term changes are advised via the SkoolBag app. The shop can be contacted directly on 7221 6295 during opening hours, or by email to the Uniform Shop Manager uniform@spw.sa.edu.au.

The information below is taken from the Uniform Policy, available on the SPW website www.spw.sa.edu.au.

2. Overview

2.1. General Regulations (ELC-6)

Previous uniform designs

Previous designs of uniform items may no longer be worn. All students are to wear the currently available items.

Jewellery, nail polish, makeup

The only jewellery items permitted are plain gold or silver ear studs (one per ear maximum). No necklaces, bracelets, wrist bands or similar items are to be worn. Nail polish and make-up may not be worn.

Uniform to and from school

Full school uniform must be worn to and from school (hats and jumpers excepted).

Seasonal uniform changeover

In the two weeks either side of the change-over from summer to winter or winter to summer uniform (ie end of Term 1/beginning of Term 2 and end of Term 3/beginning of Term 4) children may wear either winter or summer uniform (not a mixture of both). Full school winter or summer uniform will be required on days of significance (eg school photo days, excursions) which occur during these transition periods and parents will be advised of these dates and which uniform is to be worn.

Other general regulations

- Girls' dresses and skirts (Reception-Year 6) must cover the knee but not be longer than mid-calf
- Scarves are not to be worn in class
- Visible T-shirts, singlets or other undershirts may not be worn under school shirts
- Jumpers and sports jackets may not be tied around waists

2.2. Hair (ELC-Year 6)

- Students are expected to have clean, tidy hair that is clear of the eyes, natural in colour, and tied back if shoulder length or longer. Cuts lower than no. 3 are not acceptable.
- Long hair will be neatly tied back, braided etc at all times to keep it clear of the face, with hair accessories either in royal blue or in 'SPW uniform print' (as sold in the Uniform Shop).
- Only royal blue ribbons, elastics, scrunchies or head bands, or matching uniform hair accessories as sold in the Uniform Shop are to be worn.

2.3. Hats

School hats in the correct style must be worn for all outside activities as follows:

- ELC students – all terms (compulsory)
- Reception-Year 6 students – Hats are compulsory from 1 August to 30 April

2.4. Physical Education and Sport Uniforms (Reception-Year 6)

There is a distinction between the Physical Education (PE) uniform and the Sports uniforms:

The PE uniform is for all students to wear for PE lessons. Children are to wear their full PE uniform to school for the entire school day on days when they have:

- a designated timetabled PE lesson
- after-school sports practice
- and for other activities as advised. This may include events such as Sports Days.

In addition, all students in Reception-Year 2 (R-2) are to wear PE uniform on the day when R-2 after-school sports are scheduled.

The PE jacket is only to be worn with the PE uniform, not with the formal uniform (where the jumper/vest and/or the showerproof jacket are to be worn for warmth if required).

For daily fitness, students may need to change their school shoes for sports shoes. They must then change back into their school shoes for the remainder of the day.

The Sports Uniform is for students who represent the school in competitive sport. Details of the uniform requirements for each sport are detailed later in this document. Uniform items issued for sports are not to be worn in instances other than for competitive sport (sports tops are not a substitution for PE (House) tops).

2.5. Shoes

To encourage students to be as active as possible, shoes for Reception-Year 6 students should be chosen to accommodate active play and growing feet. For both winter and summer, enclosed shoes are to be worn (no sandals). Black enclosed shoes, full leather, either in standard laced, Velcro, or sneaker-style are to be worn with the formal uniform. For ELC students – see separate section.

Students are permitted to wear the Seniors' Top on normal school days, as the outer layer of clothing. The jumper or vest remains the formal outer layer and must be worn on formal occasions.

2.7. Naming Items

All items of clothing, the school bag, and all lunch box items brought to school must be clearly named.

At a school, lost property is an ongoing issue, and it is essential parents name their child's property so that both the child AND any person who finds the item can identify who it belongs to.

It is recommended that each item of clothing, especially hats, PE jackets, weatherproof jackets, and jumpers/vests are clearly named with the family surname (and first name of the child if possible). In addition, experience has shown that items which are labelled twice – the second time in a less-visible location on the garment (eg inside a facing) – assists in identifying items.

Each item in a lunch box, including each box, bottle, lid, and base, should be individually named. These items are easily separated.

Lost items are not the responsibility of the school. Wherever possible, students are encouraged to check the lost property area themselves, however may only take an item if it is their own. Labelling/naming each item, and teaching children how the parent has labelled them, is highly beneficial to develop this independence and responsibility.

**Parents/caregivers are requested to ensure
a high standard of dress is maintained at all times.**

**If there is a particular reason why your child cannot wear the correct uniform,
please discuss this with the relevant Head of School.**
