Extra- and Co-Curricular Activities

The Arts, Sport and Academic

1. Extra- and Co-Curricular Activities

SPW is pleased to offer a wide range of Extra- and Co-Curricular activities for 2027.

Part of the SPW Mission is to:

- Provide a strong foundation for lifelong learning and to establish patterns of physical activity
- Develop self-confidence, self-esteem and an appreciation of total well being

SPW believes the Extra and Co-Curricular activities support children to develop critical life-long skills in learning how to manage their time and find a balance between work and leisure.

1.1 Consider Commitments Carefully

Please carefully consider the commitment you and your child need to make when participating in Extra-and Co-Curricular activities. SPW does not insist on participation in any Extra-and Co-Curricular activity. We are pleased most choose to do so.

From Reception to Year 6, please ensure involvement is manageable for both your child and family. If you are unsure of the right level of commitment for your child, speak with your child's class teacher.

It is the responsibility of you as the parent to take your child/ren to and from co-curricular activities, including supervision before and after the event. Once selections have been made it is expected that each child remains committed to the team. This is to be discussed with your child and agreed prior to nominations.

1.2 Breadth of opportunity

Beyond timetabled Sport and Arts opportunities, SPW wants students to have the courage to engage in a range of activities to try things they may have never considered. The activities offered are primarily about immersion - a first exposure to help discover what students really enjoy. Children are encouraged to experience many activities, even if only once.

An individual child's level of participation is limited by the school in certain areas to ensure all children can access a diverse range of activities.

2. Registering Selected Activities

Extra-and Co-Curricular activities are selected by parents/caregivers via completing an online nomination form. The link to the online form to nominate for the following term will be provided via Audiri on Friday Week 4 of each term.

2.1 Nomination Dates

Families are asked to nominate sport activities on a termly basis, as follows:

When	Who	For
Term 4 – 2026	Years 1 – 6 in 2027 *(Reception activities commence in Term 2)*	Term 1 2027 Development Squads
Term 1 – 2027	Reception – Year 2 Years 3 – 6	Term 2 Terms 2 and 3 (Winter sports)
Term 2 – 2027	Reception – Year 2	Term 3
Term 3 – 2027	Reception – Year 6	Term 4

2.2 Making Nominations

Parents/caregivers must use the link to access the form and choose each child's selections. For separated families, please ensure only one person completes nominations for the student.

2.3 Assistance or Questions

Questions relating to use of online selection forms should be directed to:

- EA to Acting Deputy Principal (Years 3-6): dward@spw.sa.edu.au

Questions about individual Sports or Arts activities should be directed to:

- Head of PE & Sport: sports@spw.sa.edu.au
- Head of The Arts: thearts@spw.sa.edu.au

3. Sport in the Primary Years

SPW believes sport plays a significant part in the holistic development of children. Participation in sport at SPW is about equipping students with a 'toolbox' of technical, physical and mental skills and an understanding of concepts such as teamwork, leadership and resilience.

The valuable social experience gained by being involved in sport is enormous. Equally, it is about learning to be part of a group or team through service, understanding what commitment entails, working hard to achieve set goals, playing fairly and respecting everyone involved. SPW wishes to foster a life-long love of being physically active.

3.1 Join our Team – Become a Parent Coach or Manager

SPW actively encourages parental assistance in the roles of coach and manager for team sports, this is a chance to become actively involved in your child's sporting journey and become a pivotal part of our school's sporting community.

By volunteering as a manager or coach, you are not only supporting your child but also gaining the chance to connect with the school community, develop leadership skills and create lasting memories with your child on their sporting journey.

Every team sport, from Years 3 - 6, requires a parent manager. **Without a parent manager, the team will not be entered for competition.**

Where a parent coach is unable to be secured, a SPW staff member, third party provider and/or SPW volunteer will be appointed by the school.

Parent Manager - Role Requirements: This role is a fun way to participate in the life of the school and your child's development in sport. The manager is the main point of contact for all players and families. Managers liaise with parents and students, and with the Head of PE & Sport. Managers are required to attend most games, organise rosters and other activities such as the supply of oranges for half-time. This role is available to approved SPW volunteers.

Parent Coach - Role Requirements: If a parent has appropriate skills and interest, SPW invites you to nominate to be a parent coach. Parent coaches attend all matches, and wherever possible attend weekly practice sessions. Where a parent coach cannot attend practice, a Kelly Sports coach will be appointed to take the session. No extra practices are to be organised outside designated times. This role is available to approved SPW volunteers. Support will be provided to any parents wishing to coach where appropriate.

SPW Volunteer Requirements: Both parent coaches and parent managers are required to be current, registered SPW volunteers, and to abide by a Code of Conduct as per the School Sports SA and SPW Sports policies. Failure to adhere to these policies will result in coaches and/or managers being stood down.

Nominate: No prior experience required. We provide guidance, resources and training for all parent coaches and managers, so you will always feel confident and supported in the role. Nominate yourself for a Parent Manager and/or Volunteer Coaching role via the online form.

3.2 Team Selections

Where a sport requires submissions of a team, selections will be according to SPW Sport staff judgement, based on knowledge of students, experience and commitment, ensuring fairness and a positive sporting experience for all.

3.3 Sports Uniforms

SPW Sports uniforms, as detailed in the SPW Uniform Regulations, are to be worn when representing SPW. The uniform requirements are summarised under each section. It is the responsibility of the parent/caregiver and student to ensure correct uniform is worn at each match. Note the SPW PE Uniform is distinct from the SPW Sports uniforms.

Where uniforms are issued by the school, they are issued for the specific season/day only. Items not returned, or not returned in acceptable condition, will incur a replacement charge to parents.

Full information about the Sports uniforms is available within the SPW Uniform Regulations on the school website (click here) and via the Uniform Shop.

3.4 Conditions of Nomination

When making your selections for activities in 2027, please be aware of the following:

- If a nominated activity or sport is not attended, no refund will be given
- If team numbers are large, due to our Policy of Inclusion, a roster will be established to ensure fair participation. Late nominations cannot be guaranteed a place in teams.
- Students who miss multiple matches/games, without appropriate explanation, may not be able to participate in team sports for the remainder of the year, however, we understand that circumstances arise, and we encourage parents to discuss any concerns with the Head of PE and Sport. Parents and students are asked to read the Sport Behaviour Policy when nominating.
- SPW reserves the right to cancel a sport/activity if minimum numbers are not met. Parents will be advised and given the option to be added to another sport or waitlist.

3.5 Late Nominations

- Late nominations may still be accepted, and every effort will be made to place the student in a team.
- Team placement cannot be guaranteed. Late nominations will be placed where capacity is available, while prioritising fair game time for students who nominated by the closing date.
- **A $25 administration fee applies to each late nomination.** This is a cost-recovery fee covering additional administration, such as amending team registrations with associations, reshuffling squads and updating records.
- The administration fee may be waived in cases of genuine hardship or exceptional circumstances, such as illness or family crisis.
- Repeat late nominations, where there are no genuine hardship or exceptional circumstances, will incur the **$25 administration fee for each late submission**.

3.6 Changes, Withdrawals, Waiting Lists and Invoicing

Invoices will be issued at the beginning of each term/season for that term/season. An example is Years 3 – 6 Winter sport, such as football, which begins in Term 2 and carries into Term 3. The season invoice will be issued at the beginning of Term 2.

Should a withdrawal need to be made from a nominated sport/activity, this will only be facilitated under the following condition:

- Provision of parent note and/or doctor's certificate indicating medical requirement
- Insufficient interest in the chosen sport, resulting in the sport not running
- Should your child wish to change their nominated sport this will incur an additional fee

If a student wishes to be added to the waiting list for a sport activity, the parent/caregiver is to email sports@spw.sa.edu.au. Waiting list students will be added to activities only when there is a space available, and strictly in order of request receipt. Being on the waiting list does not mean a student will gain a place in the activity. Being offered a place from a wait list does not necessitate a change; a child may choose not to accept the offered place.

Our fee structure covers participation costs for the given activity. In the event that the organising competition's association imposes any further direct player charges, that will be the responsibility of the parent to pay, in addition to the SPW fee.

3.7 Refunds

Each term a minimum of eight sessions are offered. Refunds will not be given once nomination has been made, with the exception of the following:

- Medical requirements
- Unforeseen situations and other school-based circumstances, where less than a minimum of eight sessions can be provided per term, except for netball, soccer and football in Term 3, where a minimum of six sessions are offered
- Insufficient interest in the chosen sport, resulting in the sport not running

Weather affected sessions will not be refunded, however, supervision is provided for the regular session time for those children who cannot be collected.

5. Arts in The Primary Years

The Arts are a wonderful arena for fostering creativity, an important skill to have in a rapidly changing world. The Arts foster critical higher levels of thinking that carry over to learning other subjects and in life. Through The Arts, children learn to observe, see different perspectives, analyse and recreate. As students learn to read notes, compose music, play an instrument, learn dance steps, create a painting, or act in a drama. They are also learning how to develop new concepts, build vocabulary, and learn a new language.

Through The Arts, children learn how to work together to achieve great things. As they work together, students learn to understand differences and diversity. They learn how teamwork contributes to great performance.
