

The Day of Extraordinary

GIVING DAY - MAY 24

charidy.com/spw

We are excited to invite parents, caregivers, grandparents and special friends to join us for The Day of Extraordinary on Wednesday 24 May where we will showcase the extraordinary talents of our students and our school facilities.

The Day of Extraordinary will be St Peter's Woodlands first ever 24-hour Giving Day, to raise funds for the school's biggest building project, the redevelopment of Baddams Hall, which will be turned into a state-of-the-art theatre, sports and multi-purpose centre.

For all details about the project visit

charidy.com/spw
